Hi All,

I have attached #FPM15-01 Project Funding Re-allocation APR for your approval. Please note that Jen Unruh has reviewed, approved and is cc'd on this email. The Board Clerk is holding a time slot on December 11th, which recently opened for John to present to the Board. I will need all approvals by 11am tomorrow (Wednesday Dec. 3rd) in order to meet the Clerk's deadline.

Please let myself and/or John know if you have any questions. Once I receive all approvals I will forward request to Lynda Grow.

Thank you, Lisa
