

Shane Jackson

Candidate for interim appointment to House District 42, SE Portland

As a member of the SE community and resident of House District 42 for the past 23 years, I have selected ways to serve my community by:

- Being on the Hosford Abernethy Neighborhood Association
- Serving on the South East Up Lift board
- Working on improving our local schools by my service through the Abernethy Elementary and Hosford Middle School Site Councils
- Being appointed to the Multnomah County Charter Review Commission. (2004)
- Participating in the Portland Public Schools Eastside Task Force (2002)

I am choosing to do this now because:

- I want to take advantage of this opportunity to get my name out there and demonstrate that I am a viable candidate
- I would like to show that I am willing to continue to serve my community as best I can
- I want to contribute to the dialog that will shape our future community

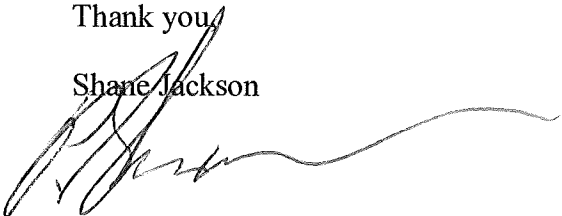

I am also very familiar with the legislative process and can provide immediate and seamless service for District 42. For the last several years I have been:

- Employed as a lobbyist advocating for the needs and rights of autistic children
- Working to pass bills (SB365 is the best known)
- Helping people get appointed to boards (Behavior Analysis Regulatory Board)
- Participating in the writing of rules (SB414 rules will be issued soon)
- Doing everything in the legislative process except cast a floor or committee vote.

I ask that you consider me as a viable candidate.

Thank you,

Shane Jackson
