RE: Tobacco Retailer Compliance Inspection – Notice of Violation

Dear Merchant:

Oregon Law prohibits the sale of tobacco products to anyone under 18 years of age (ORS 163.575 – Endangering the welfare of a minor). Violation of this crime is punishable by a fine of up to \$2,000. **This is a formal notice that the Oregon State Police conducted an official compliance inspection at your establishment and a violation occurred.** The compliance inspection occurred on 11/16/2014 at approximately 11:10:00 AM. The clerk who sold the tobacco product to a minor, Minh Le, has been issued a citation for violating the law mentioned above.

The Oregon State Police conduct random inspections to check compliance with Oregon's tobacco laws related to minors. While it is not our intent to punish merchants or clerks for conducting legal business, we expect all merchants to comply with local, state and federal laws relating to the sale of tobacco to minors. In addition to the inspections conducted by the Oregon State Police on behalf of our office, tobacco retailers can also expect to receive inspections from the Food and Drug Administration (FDA) to ensure compliance with federal law.

The Oregon Health Authority wants to assist you in making sure that your store and employees comply with the law at all times. If you have questions or concerns, if you would like information on additional training materials, or if you would like to discuss the laws related to the sale of tobacco to minors, please call me at the number listed below.

I urge you to prevent underage tobacco sales, and hope you will call on us if we can assist you in continuing to comply with the law.

Respectfully,

Letitia Mack
