Tom,  
I slightly tweaked the format. The attached IGA Amendment has been reviewed and is approved for routing for signatures or submission to the BCC as the case maybe.  
Thanks.

Matt,

I could use your review and comments on the attached IGA amendment with the City of Portland. This year's amendment just extends the term for another year and no other changes are required. Hoping for a speedy review so I can get this onto the BCC consent calendar and then off to the City.

I am available to answer question or comments. Thanks
