Hello all:

I will send another email reminding the whole group about next week's board briefing. This one is intended only for the people lined up to speak. Anyone else can, if they choose. Here's how it will go:

Please arrive by 9:50am

- **10:00:** Emerald Bogue will introduce speakers, provide some background on the levy, the financial agreement, the appointment of the members of the LOC, their reporting requirements and do a quick overview of the actual reports. **<Introduce LOC Co-Chairs>**
- **10:05:** Avel Gordly and Nichole Maher will speak about the LOC's first year of work, progress made, and a brief overview of the actual LOC report - item by item **<Introduce Kerry Tymchuk>**
- **10:15:** Kerry Tymchuk will talk about what the levy has allowed OHS to do in its first year, and the working relationship with the LOC **<Hand it back to Emerald to introduce Chuck Rollins>**
- **10:20:** Chuck Rollins from the Crown Point Country Historical Society will talk about what the levy has helped them do
- **10:25:** Questions

We will be in the Multnomah County Board Room - on the 1st floor of 501 SE Hawthorne, Portland OR.

Agenda and materials are posted online [here](#).

Looking forward to seeing you all.

Emerald
