With Marissa out Lynda Grow directed me to you for approval to waive the two week time frame for requesting an agenda item for August 25th.

I was just notified that MHASD would like to put forth a proclamation for National Recovery Month for Mental Health and Substance Abuse. They are wanting it scheduled in late August in advance of September National Recovery Month. Lynda has confirmed that there is time on the agenda and a representative from MHASD is available to present the proclamation.

Thank you for considering our request. If approved I will have our documents to Lynda asap.

I approve this agenda item to be placed on the agenda. On the 25th you will be missing two Commissioners. If you waited till the first week of Sept- so that would be the 8th- you would have all of them including Commissioner Shiprack who cares about the mental health and addictions issues.

Lynda - Joanne Fuller has approved this agenda item for the August 25th board meeting...see her approval attached.

Although it would have been our preference to present the proclamation before the full board, knowing that there is strong commitment around Mental Health and Addictions services for citizens of Multnomah County, you had indicated that Sept. 8th was full. Thank you for accommodating our agenda item on Aug 25th. Joan Rice will present on behalf of MHASD and I anticipate she will be bringing some guests from the recovery community to share a few words.

Thank you for your assistance.

We have plenty of time on September 1st and all the Commissioners will be here; it's September 8th that's full. Let me know.

Hi, all. I just need to make sure you ran this through Legal Counsel and got their approval. If you have, just forward their e-mail for the file. If not, please send to Chip, copy Jenny Morf and Carol Kinoshita, and they'll review. Everything has to pass through their offices for review before I can post. I'll upload the APR, and it's on the agenda, but I'll hold off on the Proclamation until I hear from you. Thanks!!
