Greetings Chiefs of Staff,

I was able to check in with Chair Kafoury regarding her conflict on May 9th. She will be flying into PDX that day, and plans to arrive to the ceremony around 1:30.

As you're aware, the ceremony starts at 1:00. We can make adjustments to the speech by having Chair Kafoury present her awards last.

Usually though, she kicks off the ceremony with opening statements. I wanted to check and see if there is another Commissioner that would volunteer to kick off the ceremony this year. Please let me know as soon as possible if your Commissioner would be interested.

Additionally, Nancy and Marissa, I wanted to check and see if either of you could be the back up/stand in for Chair Kafoury, should her travel plans experience any sort of delay. She and I spoke yesterday, and Travis agreed, the Chair's award in particular should come from her office, so if she's unable to attend, it would be best if one of you could present her awards.

I look forward to hearing from you. I'm working on the speeches and hope to get those to you by Tuesday of next week, and hope to have a timeline of the event itself by the end of day today. If you would like to come to a Board Staff Meeting to discuss this in person, I'm happy to.

Thank you.

We would be happy to kick things off and be back up for any awards should the chair not make it by 1:30.

Thank you Chris,

It would actually work very well to have Commissioner Vega Pederson open, as that would balance out speech time a little more evenly for all.

even more perfect, thanks for that.

And thanks for making me aware I needed to dig a little deeper. I had recognition roadshow with the Chair yesterday so was able to pin her down on exact details.
