Good morning, Chris,

Please see the attached updated Notice of Intent to Apply for the East Multnomah Soil and Water Conservation District's Partners in Conservation grant for the 267th Avenue Culvert Replacement Project.

With your approval, I will forward the NOI to Kim Parsons-Anderson to then submit to the Board Clerk. Please let me know if you need additional information.

Thanks!

Hi Ching,

I've attached for your review an electronic copy of the Notice of Intent for the East Multnomah Soil and Water Conservation District's Partners in Conservation Grant application for the 267th Ave Culvert Replacement Project.

Please let me know if you need additional information.

If this looks good to you, could you email me your approval so I can forward to Kim Parsons-Anderson for submittal to the Board Clerk.

Thanks so much.
