Joanna,

I revised the Recitals Section in the IGA. The Metro person's comment we can't commit to at this time, i.e. the County Board will support the decision of the steering committee. I'm surprised by that statement as that is not what the specific Recital said before, but moreover, this agreement can't bind the Board to a decision regarding the LPA before the document itself as been reviewed by the County. I edited that Recital to what we can say at this time.

If this is acceptable the attached IGA and Exhibit are approved for submission to the BCC. Remember I need to see an APR for this too.

Thanks.
