General Information

1. What action are you requesting from the Board?

The department of County Assets is requesting Board approval of budget modification DCA-21-17 reclassifying Position #706656 Development Analyst Senior (JCN 6406) to IT Business Consultant Senior (JCN 6198) in Program Offer 78309-17.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This modification reflects Class Comp decision #3650 a reclassification initiated by management.

This vacant position in the Information Technology Division of the Department of County Assets program offer 78309-17 IT Health & Human Services Application Services, is requested for reclassification as an evaluation of the work unit needs indicates a decline in the demand for custom application development work and an increase in demand to look at vendor solutions and to look at leveraging platforms.

The primary purpose of the position is to provide a single point of contact for Information Technology (IT) customers, working with them to understand their business needs from a strategic perspective, and applying a wide range of technologies to address those needs. This position will be responsible for service delivery including project management, business case preparations

including total cost of ownership, defining requirements, business process analysis, and portfolio management for specific customers and the enterprise.

An analysis of the Development Analyst Senior, the IT Business Consultant, and the IT Business Consultant Senior classifications was performed before making an allocation decision: The duties, responsibilities and qualifications support that this position is allocated to IT Business Consultant Senior (6198).

3. Explain the fiscal impact (current year and ongoing).

Personnel expenses are not expected to change from FY17 budget amount.

The original Development Analyst Senior position at step 5 is the same wage as the reclassified IT Business Consultant Senior position at step 8.

The current top step of the new classification is 8.54% less than the top wage of the original position.

In subsequent fiscal years the reclassified position will be subject to the approved cost of living adjustments (COLA). The financial impact of the new classification will be funded within the ongoing department's budget.
