Commitment. The IFA shall provide Recipient, and Recipient shall accept from IFA, financing for the Project specified below:

- (1) A grant in an aggregate amount not to exceed the Grant Amount (the “Grant”).
- (2) A non-revolving loan in an aggregate principal amount not to exceed the lesser of the C-1 Loan Amount (“C-1 Loan”).
- (3) A non-revolving loan in an aggregate principal amount not to exceed the lesser of the C-2 Loan Amount (“C-2 Loan”).

“Loan” means collectively and individually without distinction, as the context requires, the C-1 Loan and the C-2 Loan.

Notwithstanding the above, the aggregate total of Financing Proceeds disbursed under this Contract cannot exceed the Costs of the Project.

## **SECTION 3 - DISBURSEMENTS**

- A. Reimbursement Basis. The Financing Proceeds shall be disbursed to Recipient on an expense reimbursement or costs-incurred basis. The Recipient must submit each disbursement request for the Financing Proceeds on an IFA-provided or IFA-approved disbursement request form (“Disbursement Request”).
- B. Financing Availability. The IFA’s obligation to make and Recipient’s right to request disbursements under this Contract terminates on the Project Closeout Deadline.
- C. Order of Disbursement. The Recipient authorizes IFA to determine whether disbursements will be drawn from the Loan or the Grant, and record the date and amount of each such disbursement. Absent manifest error, such notations will be conclusive evidence for determining accrual of interest on the principal balance of the Loan and the remaining Loan or Grant amount available for disbursement.

## **SECTION 4 - LOAN PAYMENT; PREPAYMENT**

- A. Promise to Pay. The Recipient shall repay the Loan and all amounts due under this Contract and the Note in accordance with their terms. Payments required under this Contract are, without limitation, payable from the sources of repayment described in the Act and this Contract, including but not limited to Exhibit B, and the obligation of Recipient to make all payments is absolute and unconditional. Payments will not be abated, rebated, set-off, reduced, abrogated, terminated, waived, postponed or otherwise modified in any manner whatsoever. Payments cannot remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project, commercial frustration of purpose, any change in the laws, rules or regulations of the United States of America or of the State of Oregon or any political subdivision or governmental authority, nor any failure of IFA to perform any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with the Project or this Contract, or any rights of set off, recoupment, abatement or counterclaim that Recipient might otherwise have against IFA or any other party or parties; provided further, that payments hereunder will not constitute a waiver of any such rights.

- B. Interest. Interest accrues at the Note Interest Rate on each disbursement from the date of disbursement until the Loan is fully paid. All unpaid interest accrued to the Repayment Commencement Date is (in addition to the first regular installment payment due) payable on the Repayment Commencement Date.
- C. Loan Payments. Starting on the Repayment Commencement Date and then on each succeeding Payment Date, Recipient shall make level installment payments of principal and interest, each payment sufficient to pay the interest accrued to the date of payment and so much of the principal as will fully amortize the Loan by the Maturity Date, on which date the entire outstanding balance of the Loan is due and payable in full.
- D. Loan Prepayments. The Recipient may prepay all or part of the outstanding balance of the Loan on any day except a Saturday, Sunday, legal holiday or day that banking institutions in Salem, Oregon are closed.
- E. Application of Payments. Regardless of any designation by Recipient, payments and prepayments by Recipient under this Contract or any of the Financing Documents will be applied first to any expenses of IFA, including but not limited to attorneys' fees, then to unpaid accrued interest (in the case of prepayment, on the amount prepaid), then to the principal of the Loan. In the case of a Loan prepayment that does not prepay all the principal of the Loan, IFA will determine, in its sole discretion, the method for how the Loan prepayment will be applied to the outstanding principal payments. A scheduled payment received before the scheduled repayment date will be applied to interest and principal on the scheduled repayment date, rather than on the day such payment is received.

## **SECTION 5 - CONDITIONS PRECEDENT**

- F. Compliance with Existing Agreements and Applicable Law. The authorization and execution of, and the performance of all obligations required by, this Contract and the other Financing Documents will not: (i) cause a breach of any agreement, indenture, mortgage, deed of trust, or other instrument, to which Recipient is a party or by which the Project or any of its property or assets may be bound; (ii) cause the creation or imposition of any third party lien, charge or encumbrance upon any property or asset of Recipient; (iii) violate any provision of the charter or other document pursuant to which Recipient was organized or established; or (iv) violate any laws, regulations, ordinances, resolutions, or court orders related to Recipient, the Project or its properties or operations.

- K. Further Assurances. The Recipient shall, at the request of IFA, authorize, sign, acknowledge and deliver any further resolutions, conveyances, transfers, assurances, financing statements and other instruments and documents as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights, security interests and agreements granted or intended to be granted by this Contract and the other Financing Documents.

## SECTION 10 - REMEDIES

- A. Remedies. Upon any Event of Default, IFA may pursue any or all remedies in this Contract, the Note or any other Financing Document, and any other remedies available at law or in equity to collect amounts due or to become due or to enforce the performance of any obligation of Recipient. Remedies may include, but are not limited to:
- (1) Terminating IFA's commitment and obligation to make the Loan or Grant or disbursements under the Contract.
  - (2) Barring Recipient from applying for future awards.
  - (3) Withholding amounts otherwise due to Recipient for application to the payment of amounts due under this Contract, including as provided in ORS 285B.449; however, this provision is not to be construed in a way that Recipient's obligations would constitute debt that violates Section 10, Article XI of the Oregon Constitution.
  - (4) Requiring repayment of the Grant and all interest earned by Recipient on those Grant funds.
  - (5) Declaring all payments under the Note and all other amounts due under any of the Financing Documents immediately due and payable, and upon notice to Recipient the same become due and payable without further notice or demand.

- B. Application of Moneys. Any moneys collected by IFA pursuant to section 10.A will be applied first, to pay any attorneys' fees and other fees and expenses incurred by IFA; then, as applicable, to repay any Grant proceeds owed; then, to pay interest due on the Loan; then, to pay principal due on the Loan; and last, to pay any other amounts due and payable under this Contract or any of the Financing Documents.
- C. No Remedy Exclusive; Waiver; Notice. No remedy available to IFA is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Contract or any of the Financing Documents will preclude any other or further exercise thereof or the exercise of any other such right, power or privilege. The IFA is not required to provide any notice in order to exercise any right or remedy, other than notice required in section 9 of this Contract.
- D. Default by IFA. In the event IFA defaults on any obligation in this Contract, Recipient's remedy will be limited to injunction, special action, action for specific performance, or other available equitable remedy for performance of IFA's obligations.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Contract shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

J. Integration. This Contract (including all exhibits, schedules or attachments) and the other Financing Documents constitute the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Contract.

The Recipient authorizes IFA to record the date and amount of each such disbursement, the date and amount of each payment and prepayment by Recipient, and the amount of interest accrued and paid. Absent manifest error, such notations will be conclusive evidence of borrowing, payments and interest under this Note; provided, however, that failure to make any such notations will not affect the obligations of Recipient under this Note or the Contract.

If any Event of Default occurs, the outstanding balance of the Note (including principal, interest and other charges, if any), at the option of IFA, becomes immediately due and payable in accordance with section 10 (Remedies) of the Contract. Failure or delay of the holder of this Note to exercise any option available under the terms of this Note, the Contract or any of the Financing Documents will not constitute a waiver of the right to exercise the option in the event of any continuing or subsequent default of the same or of any other provision. Presentment, dishonor, notice of dishonor, and protest are hereby waived.

To the extent permitted by the Oregon Constitution and the Oregon Tort Claims Act, the prevailing party in any dispute arising from this Note is entitled to recover its reasonable attorneys' fees and costs at trial and on appeal. Reasonable attorneys' fees cannot exceed the rate charged to IFA by its attorneys. The Recipient shall, on demand, pay to IFA reasonable expenses incurred by IFA in the collection of Loan payments.

The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Note, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

## **EXHIBIT D - PROJECT DESCRIPTION**

The Recipient shall complete an engineering evaluation of the current condition of the Sauvie Island Drainage Improvement Company levee systems as well as the interior drainage systems operating behind them, in accordance with National Flood Insurance Program (NFIP) levee accreditation standards documented in 44 CFR 65.10 as issued by the Federal Emergency Management Agency.

The evaluation will be completed in two parts:

- 1) A levee system evaluation will be completed by the US Army Corps of Engineers (Corps) in accordance with the procedures outlined in Corps' process for the NFIP Levee System Evaluation (EC 1110-2-6067) for providing 1-percent-annual-chance flood protection.

Specific tasks include but are not limited to:

- Hydrology and hydraulic evaluation, including evaluation of freeboard, scouring, and ability of structures to withstand flood.
- Geotechnical evaluation, including evaluation and analysis of encroachments, settlement, stability, and seepage.
- Mechanical evaluation of the main pump house, reports, and operations and maintenance plans.
- Electrical evaluation of the main pump house.
- Structural evaluation of the main pump house and closures.
- Third party technical review for quality assurance.

- 2) An Interior Drainage Analysis will be completed by a licensed engineer. The analysis will consist of an evaluation of the adequacy of interior drainage systems to protect against the 1-percent-annual-chance flood including evaluation of storage areas, gravity outlets, pumping stations, and combinations of the foregoing. Specific tasks include analysis of interior flooding, identification of areas of internal flooding on site map, base flood elevations for areas with greater than 1 foot of flooding, pump station capacity, and coincidental peak analysis.
