	<p>This past fiscal year our focus was the continued work with Barb Brunkow, professional consultant. She is helping guide our organization in establishing long-term financial and organizational sustainability.</p> <p>In addition, we repaired the leak over the Zimmerman House parlor bay window. But more extensive work will need to take place in the near future.</p>	

Summary of how levy funds are helping your organization “protect the collection of Oregon history documents and artifacts, and public access to those.” (taken from ballot language for Measure 26-118)

This next year, we start the detailed planning phase for the Two-Story Bunkhouse. Once complete, FRW (now ECHO), we will have better & increased space in which to share our collection in a way that reflects the diverse culture of East Multnomah County.

Anything else you want the Levy Oversight Committee to know?

Part of the work with Barb Brunkow, resulted in the re-branding of our organization, the restating of our Constitution and the creation of By-Laws.

Our New Logo. We are now known as ECHO.
