General Information

1. What action are you requesting from the Board?

The Departments of Community Services and County Management through the Divisions of Transportation, FREDS, and Facilities and Property Management request a reading of the Proclamation declaring the week of May 15 - May 21, 2011, as “**NATIONAL PUBLIC WORKS WEEK**,” recognizing the dedication and contributions of Multnomah County public works employees, and adoption of the Proclamation by the Board.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Since 1960, the American Public Works Association (APWA) has sponsored National Public Works Week. Across the nation, 28,000 members use this week to energize and educate the public on the importance of the contribution of public works to their daily lives; planning, building, managing and operating the heart of our local communities and building the quality of life.

APWA has selected "Public Works: Serving You and Your Community" as its theme for 2011's National Public Works Week, which will be celebrated May 15-21. The theme speaks to the never ending effort of public works professionals to bring their communities the highest possible quality of life.

The County annually recognizes the dedication and contributions of their public works employees to our community by a Proclamation presented to the Board of County Commissioners. The annual recognition corresponds with "NATIONAL PUBLIC WORKS WEEK" which this year is May 15-21, 2011.
