General Information

1. What action are you requesting from the Board?

Multnomah County has established Employee Recognition Awards as outlined in Personnel Rule 3-70. A committee with representatives from departments and elected official’s offices spent countless hours working on the implementation of these awards. This ceremony will announce the winners of 6 categories of awards.

- Superior Public Service Award – Internal and External
- Outstanding Team Achievements Award
- Employee Innovation Award
- Diversity and Cultural Competency Award
- Sustainability Award
- Chair’s Excellence Award

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

In the past, this award ceremony has been scheduled to coincide with the proclamation and celebration of Public Service Recognition Week, the first full week of May each year. Due to a compressed budgetary cycle, the ceremony will not directly coincide with PSRW, but will occur the following month.

As outlined in Personnel Rule 3-70 and in belated celebration of *Public Service Recognition Week (PSRW)*, Multnomah County will honor the men and women who serve as Multnomah County employees.

The ceremony will include a reception immediately following the presentation in the back of the board room.

3. Explain the fiscal impact (current year and ongoing).

Expenses for this project are included in the Central HR Budget.

4. Explain any legal and/or policy issues involved.

The awards are given in accordance with Personnel Rule 3-70.

5. Explain any citizen and/or other government participation that has or will take place.

Citizens and employees are able to make award nominations.
