CAPACITY MANAGEMENT ACTION PLAN

- I. This Capacity Management Action Plan (“Plan”) is adopted pursuant to ORS 169.044 to resolve a county jail population emergency. A jail population emergency exists when the total jail population exceeds 97 percent of its population limit. In the event of a county jail population emergency, the Sheriff or his designee will implement this Plan.
- II. The intent of this Plan is to resolve a jail population emergency by holding in jail those that have been evaluated and found to represent the greatest threat to the safety of the community and releasing those that pose the least risk. Such evaluations will be based on objective criteria reasonably calculated to:
 - A. Resolve the jail population emergency;
 - B. Ensure community safety; and
 - C. Comply with prevailing constitutional and Oregon jail standards relating to conditions of incarceration.
- III. The Sheriff or his designee will develop and implement policies and procedures in which every person in custody of the Sheriff, and eligible under the Sheriff’s authority to release, is evaluated using the following criteria:
 - A. Risk to self or other persons;
 - B. Propensity for violence;
 - C. Criminal Charges (person vs. non person);
 - D. Prior failures to follow court orders;
 - E. Parole, probation, or post-prison revocations; and
 - F. Institutional behavior or classification.
- IV. Persons whose current charge relates to or who have a criminal history involving the following shall receive special consideration:
 - A. Domestic violence;
 - B. Sex abuse;
 - C. Child abuse or crimes relating to children;
 - D. Risk to a known victim;

- E. Gang violence;
 - F. Crimes involving a weapon;
 - G. A history of an inability to comply with release conditions or sentencing orders (including Failure to Appear);
 - H. A history of Driving Under the Influence of an Intoxicants; or
 - I. A history of property crimes.
- V. A numerical score will be assigned to each person in custody and will rank the inmate population from highest to lowest score as indicated in Attachment A.
- VI. As defined in ORS 169.005, the categories in this Plan apply to only to unsentenced offenders. In the event of multiple charges pending against a single inmate, the most serious charge will determine the inmate's primary charge category. Only unsentenced offenders may be released for population reasons. Releases for population reasons will be made based upon the criteria in III, IV, and V above. Also, the Sheriff may release one gender, if releasing the other gender would only make available beds that would not be filled because there are no gender appropriate inmates waiting to be housed or no gender appropriate inmates classified for housing at the available bed.
- a. Each person in custody and designated as a Project 57 arrestee in accordance with the Government Revenue Contract with the City of Portland for the rental of jail beds will be exempted from Emergency Population Release until arraignment unless Project 57 capacity is exceeded and population release is necessary.
 - b. In the event that an Emergency Population Release is required the number of Project 57 detainees, in excess of the number specified in the Government Revenue Contract with the City of Portland for the rental of jail beds, may be considered for release consistent with the Emergency Population Release scoring range under consideration at the time consistent with the charges.
- VII. Both sentenced and unsentenced inmates with a classification status consistent with confinement in a medium security facility will be transferred to MCIJ for housing as the population at MCIJ permits and as needed to reduce the population at MCDC.
- VIII. The Plan shall ensure compliance with ORS 169.046 regarding notice of a county jail population emergency.
- IV. The Sheriff may adopt, amend, and rescind MCSO policies and procedures as necessary to ensure compliance with the intent of section II of this Plan.
