3. Explain the fiscal impact (current year and ongoing).

This budget modification has no fiscal impact in the current year. Budgeted personnel costs are within the pay scales of the new classifications or other budgeted line items have been adjusted so that the changes are budget neutral.

The reclassification of position 714934 to a Mental Health Consultant increased budgeted personnel cost by \$14,292, because the step at which the Mental Health Consultant is budgeted is higher than the step at which the Case Manager 2 is budgeted. The increase in cost is offset by a decrease in Temporary, Non Base Fringe, and Non Base Insurance for no net fiscal impact this fiscal year.

The reclassification of position 714935 to a Mental Health Consultant increased budgeted personnel cost by \$12,086, because the step at which the Mental Health Consultant is budgeted is higher than the step at which the Case Manager 2 is budgeted. The increase in cost is offset by a decrease in Temporary, Non Base Fringe, and Non Base Insurance for no net fiscal impact this fiscal year.

The reclassification of position 714936 to a Clinical Services Specialist increased budgeted personnel cost by \$8,758, because the step at which the Clinical Services Specialist is budgeted is higher than the step at which the Case Manager 2 is budgeted. The increase in cost is offset by a decrease in Temporary, Non Base Fringe, and Non Base Insurance for no net fiscal impact this fiscal year.

The reclassification of position 714937 to a Clinical Services Specialist increased budgeted personnel cost by \$11,074, because the step at which the Clinical Services Specialist is budgeted is higher than the step at which the Case Manager 2 is budgeted. The increase in cost is offset by a decrease in Temporary, Non Base Fringe, and Non Base Insurance for no net fiscal impact this

fiscal year.

In subsequent fiscal years, the reclassified positions will be subject to approved cost of living adjustments (COLA) and step and merit pay increases in accordance with collective bargaining agreements and county personnel rules. Increased costs will be funded within the department's budget.
