General Information

1. **What action are you requesting from the Board?** The Department of Community Services requests approval to extend an existing IGA with ODOT for the NE 223rd Ave Railroad Undercrossing project until January 15, 2015.
2. **Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.** This project widened NE 223rd Ave in Fairview between NE Sandy Blvd and NE Bridge Street. Work also involved replacing the Union Pacific Railroad Bridge over NE 223rd. The construction work is complete but delays in administrative closure with the contractor have prompted the need to extend the agreement with ODOT. The County's portion of the administration is complete, but several steps are still needed at the State level. This extension will enable the State to complete project closure required by the agreement.
3. **Explain the fiscal impact (current year and ongoing).** There is no fiscal impact resulting from this extension. Costs for administrative closure have already been budgeted to the project.
4. **Explain any legal and/or policy issues involved.** There are no legal or policy issues resulting from this extension.

5. Explain any citizen and/or other government participation that has or will take place.
No public involvement is required for this administrative closure.
