General Information

1. What action are you requesting from the Board?

Approval of new members for Vector Control and Enforcement Advisory Committee

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Multnomah County Vector Control and Enforcement's mission is

"to promote community livability by managing vector-borne diseases through surveillance, suppression of vector populations and code enforcement to maintain and support those actions." The purpose and duties of the Committee are as follows:

A. Advise the Board and the Environmental Health Section or Director of Health on matters involving the county vector control program.

B. Assist in evaluating current and future plans and practices of vector control services, including strategic direction related to public health prevention, surveillance, intervention, education and enforcement.

C. Provide information regarding the environmental health needs and wants of the community.
