Here you go Lindsey. Let me know when you want to get this set up for Board Staff and the Board and we can get all that set up together in my cube. Karen will also need to review the packet before it is submitted to Kim but I can help with all this which shouldn't take more than 20-minutes to get everything set up and submitted to Karen. Routing to Kim after Karen's review is also easy.

Sorry if you know all this. I couldn't remember if you have gone through this process before with the Board and I'm happy to walk you through every step if needed because no one ever did this for me which caused me too much confusion and frustration. I promised myself I wouldn't put anyone else in that situation. I'm not trying to micro-manage at all.
