This is the 107<sup>th</sup> year of the Portland Rose Festival Celebration. The event brings visitors from around the state, nation and the world to Portland and Multnomah County. It is a chance for communities to showcase people, businesses and qualities of our region. The festival received 14 awards, including eight Gold Awards, from the International Festival & Events Association in Fall 2012. The Rose Festival is attended by over 2 million people and generates approximately \$80 million to the region's economy. One component of the festival is the Rose Court, made up of 15 outstanding young women who are selected by peers and volunteer community members to represent their respective high schools, which are located in the tri-county area. The mission of the Rose Festival Court program is to provide scholarships for higher education, to promote community outreach and volunteerism and to offer networking and mentoring opportunities to young women in the program. It helps perpetuate an appreciation for Rose Festival history and tradition. Each court member represents her school throughout the months of May and June at various events throughout Oregon.
