**ORDER**  
#89-94

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to consider a request from DHS, Health Division for an order exempting from the requirement of public bidding the purchase of additional security services for Health Centers located at N.E. Killingsworth and Union and Columbia Villa in the amount of \$2,000. This contract is the result of unanticipated need for additional services when original quotes were solicited, pursuant to AR 10.120.

It appearing to the Board that the recommendation for exemption, as it appears in the application, is based upon the fact that the contract was estimated to be less than \$10,000 when the quotes were solicited. Harassment of nursing staff at Columbia Villa and vandalism to staff vehicles at N.E. Killingsworth and Union Clinic caused a need for additional security during the day at Columbia Villa and in the evening hours at N.E. Killingsworth and Union. Ranger Security, the current contractor, submitted the lowest quote at the time of the informal bid, therefore, due to the need for uninterrupted service, the \$10,000 informal limit was exceeded. A bid process will be used in the future when future security needs are determined.

It appearing to the Board that this request for an exemption is in accord with the requirements of the Multnomah County Public Contract Review Board Administrative Rules AR 10.100, 20.030, and 30.010; it is, therefore

ORDERED that these services be exempted from the requirement of public bidding.

Dated this 11th day of May , 1989.
