General Information

1. What action are you requesting from the Board?

The Departments of Community Services and County Assets through the divisions of Transportation, Fleet and Facilities & Property Management request a reading of the Proclamation declaring the week of May 21 through May 27, 2017 as "NATIONAL PUBLIC WORKS WEEK," recognizing the dedication and contributions of Multnomah County public works professionals, and adoption of the Proclamation by the Board.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer(s) this action affects and how it impacts the results.

Since 1960, the American Public Works Association (APWA) has sponsored National Public Works Week. Across the nation, 29,000 members use this week to energize and educate the public on the importance of public works to their daily lives; planning, building, managing and operating at the heart of their local community to improve the quality of life.

The County annually recognizes the dedication and contributions of their public works employees to our community by a Proclamation presented to the Board of County Commissioners. The annual recognition corresponds with "NATIONAL PUBLIC WORKS WEEK" which this year is May 21 through 27, 2017.
