The budget authority to spend the contingency funds is to be approved by the Board quarterly in the amount of \$748,014. 5. Explain any citizen and/or other government participation that has or will take place.

The 2014 Budget Note was discussed in the Sheriff's Office CBAC meeting on October 25, 2013.

Contingency Request

If the request is a Contingency Request, please answer all of the following in detail:

- **Why was the expenditure not included in the annual budget process?**

The expenditures were included in the Sheriff's submitted as well as in the approved

budget, however the Multnomah County Board of Commissioners and the Sheriff remained concerned that the Multnomah County Sheriff's Office (MCSO) actual overtime costs exceed budgeted amounts which has been a historical issue for MCSO. The Board chose to provide the first quarter of the MCSO's requested General Fund overtime budget in the MCSO adopted budget. The remaining amount of \$2,244,042 was placed in the General Fund contingency to be approved by the Board on a quarterly basis.

- **What efforts have been made to identify funds from other sources within the Department/Agency to cover this expenditure?**
All funds are assigned to specific programs and expected to be 100% utilized during the year for those programs operation.
- **Why are no other department/agency fund sources available?**
The general funded programs are the County's responsibility. Federal and State sources cannot be used as it would be considered as supplanting the County's financial responsibility, which is restricted by the rules for use of those funding sources.
- **Describe any new revenue this expenditure will produce, any cost savings that will result, and any anticipated payback to the contingency account. What are the plans for future ongoing funding?**
Overtime is part of planned spending for 24/7 program operation and it is anticipated that these funds will be incorporated back into the FY15 program offers during the FY15 budget process.
- **Has this request been made before? When? What was the outcome?**
This is the first of three quarterly meetings.

NOTE: Attach a Budget Modification Expense & Revenues Worksheet and/or a Budget Modification Personnel Worksheet. For General Fund Contingency Requests, a memo from the Budget Office must be submitted.

SUBJECT: General Fund Contingency request of \$748,014 for second quarter overtime costs as specified in the FY 2014 Budget Note on Sheriff's Office Overtime. (Budget Modification MCSO-01)

During the FY 2014 budget process the Multnomah County Board of Commissioners adopted a budget note concerning Sherriff's Office overtime funding.

"The Multnomah County Board of Commissioners and the Sheriff remain concerned that the Multnomah County Sheriff's Office (MCSO) actual overtime costs exceed budgeted amounts, which has been an historical issue for MCSO. The Board has provided additional funding in FY 2012 and FY 2013 to help the MCSO address the issue through increased hiring and training to fill vacant correction posts and with the intent to reduce overtime costs. Overtime costs have not decreased.

The Board has provided the first quarter of the MCSO's requested General Fund overtime budget to the MCSO adopted budget. The remaining amount of \$2,244,042 will be placed in the General Fund contingency. The budget authority to spend the contingency funds will be approved by the Board quarterly. Typically, this will be the 2nd or 3rd Board meeting of the first month of the quarter (e.g., in October, January, and April). The quarterly amount will be \$748,014."

This General Fund Contingency Request covers the first such quarterly request.

General Fund Contingency Policy Compliance

The Budget Office is required to inform the Board if contingency requests submitted for approval satisfy the guidelines for using the General Fund Contingency.

In particular,

- Criteria 1 states contingency requests should be for one-time-only purposes.
The costs are not one-time-only in nature.
- Criteria 2 addresses emergencies and unanticipated situations.

The costs were anticipated and included in the Sheriff's Office Submitted FY 2014 Budget but held back on contingency per a Budget Note in the FY 2014 Adopted Budget.

- Criteria 3 addresses items identified in Board Budget Notes.

This item was identified in a Budget Note in the FY 2014 Adopted Budget.

How are functional areas assigned to cost objects?

For the most part, functional area is related to what department has recorded the revenue or expenditure (i.e. the District Attorney is reported in Public Safety and Justice). There are some exceptions to this rule that require certain funds to be assigned to a particular functional area, regardless of what department the revenues or expenditures are recorded in.
