**WORKERS MEMORIAL DAY**            )     98-31

The Multnomah County Board of Commissioners finds:

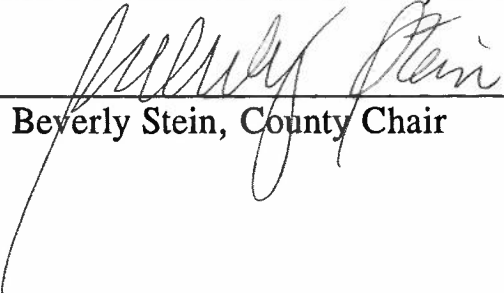

- a.       Every year more than 10,000 American workers are killed on the job, tens of thousands are permanently disabled, and millions are injured
- b.       Another 100,000 workers die from cancer, lung disease and other diseases related to toxic chemical exposure at work
- c.       Concerned Americans are determined to prevent these tragedies by:
  - Organizing Workers Memorial Day on April 28, a day chosen by the unions of the AFL-CIO as a day to remember these victims of workplace injuries and disease
  - Renewing our efforts to seek stronger safety and health protections, better standards and enforcement, and fair and just compensation
  - Rededicating ourselves to improving safety and health in every American workplace

The Multnomah County Board of Commissioners proclaims:

1.       April 28, 1998 is **WORKERS MEMORIAL DAY** in recognition and in honor of workers killed, injured and disabled on the job.

DATED this 16th day of April, 1998.
