General Information

1. What action are you requesting from the Board?

Approval of government revenue contract amendment 201483-1.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Sheriff's Office currently provides one FTE detective to Metro to combat illegal dumping, flow control and solid waste enforcement. The detective in this unit has knowledge of applicable laws and ordinances and works to enforce these laws. This includes (but is not limited to): investigation and surveillance of companies that haul waste to determine if they are disposing of solid waste properly, investigation of incidents of illegal dumping, coordination of efforts to curtail problems and educate stakeholders with issues associated with solid waste, surveillance of chronic dump sites, and the coordination of the legal removal of chronic transient camps.

This amendment would add another FTE detective for the remainder of FY2015.

This affects MCSO Metro Services program offer # 60074.

3. Explain the fiscal impact (current year and ongoing).

The amendment is a change order to increase the amount Metro will compensate the County from an amount not to exceed \$142,995.00 to \$202,576.00.

4. Explain any legal and/or policy issues involved.

The agreement has been reviewed by the County Attorney's office.

5. Explain any citizen and/or other government participation that has or will take place.

None, other than those described above.
