## General Information

### 1. What action are you requesting from the Board?

The Department of County Human Services (DCHS), Aging and Disability Services Division (ADSD) is requesting approval of budget modification DCHS14-40, which increases ADSD FY 2014 budget by \$145,315 to provide mental health services for older adults and people with disabilities experiencing depression, anxiety and substance abuse.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The State of Oregon has awarded ongoing funding for Aging and Disability Resource Connections (ADRC) Mental Health Services. The total award for the 2013-2015 biennium is \$581,260 and covers the period from January 1, 2014 through June 30, 2015. The increase to Aging & Disability Services' budget for fiscal year 2014 will be \$145,315.

Multnomah County is the lead fiscal agent for this regional funding that will be used to develop new evidence-based mental health services in Clackamas, Columbia, Multnomah and Washington Counties. ADRCs will serve as the lead in developing effective and sustainable community-based programs to reduce depression, anxiety and substance abuse among older adults and people with disabilities in the community. ADRCs will also coordinate with existing mental health and healthcare services, and will work to ensure that

low-income, rural, limited English-proficiency and other at-risk older adults and people with disabilities are reached.

This funding will be included in ADSD program offer 25020A - Access & Early Intervention Services.

**3. Explain the fiscal impact (current year and ongoing)**

Approval of this budget modification will increase the ADSD 2014 fiscal year budget by \$145,315.

Professional Services expenses will increase by \$139,018. Central Indirect expense will increase by \$3,003 and Department Indirect expense will increase by \$3,294.

Director's Office supplies budget will increase by \$3,294 (department indirect revenue).

Total service reimbursement to general fund contingency will increase by \$3,003 (central indirect revenue).

**4. Explain any legal and/or policy issues involved.**

N/A

**5. Explain any citizen and/or other government participation that has or will take place.**

The ADRC Operations Council, comprised of 51 percent consumers, has approved the proposed budget and plan, as required by the Department of Human Services (DHS).

Participating ADRCs will coordinate with medical and mental health systems or other community partners to deliver the program and to ensure safety and appropriate referrals for individuals in need of additional care for severe mental health and medical needs.

The regional ADRC will seek letter(s) of commitment from county mental health agency and key mental health or healthcare organizations.

Department of Human Services (DHS) will coordinate with ADRCs to share best practices and identify effective models. ADRCs will also identify and implement evidence-based intervention approved by Administration on Aging (AoA) or Substance Abuse and Mental Health Services Administration (SAMHSA) for use with older adults and/or people with disabilities
