General Information

1. What action are you requesting from the Board?

The Department of County Human Services (DCHS) is requesting approval of budget modification DCHS13-22. This budget modification increases Domestic Violence Coordination Office (DVCO) fiscal year 2013 budget by \$149,303.

The DVCO was awarded an additional grant from The Department of Justice, Office on Violence Against Women, OVW FY12 Encourage Arrests Policies and Enforcement of Protection Orders Program (GTEP). These dollars will fund the Domestic Violence Enhanced Response Team (DVERT). The DVCO was awarded \$649,981 for the two year period beginning October 2012 thru September 2014. This grant will enable the continuation of this program that has been in place for the past 9 years. This award will fund a 0.50 FTE Program Coordinator and 0.25 FTE Program Specialist in the DVCO; a 0.40 FTE Sheriff's Deputy in the Sheriff's Office; a 0.50 FTE Police Sergeant at the Portland Police Bureau; and 3 Domestic Violence Advocates.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This budget modification increases Program Offer #25040A- Domestic Violence Victims Services and Coordination budget by \$149,303.

This grant funds case coordination, victim services and law enforcement investigations through Program Offers #25040, Domestic Violence Coordination Office, and #60076, Multnomah County Sheriff's Office. The County currently receives \$375,000 annually from OVW to fund the very successful DVERT project. The DVERT project uses evidence-based assessment tools to identify cases with a high risk of dangerous recidivism and/or lethality and to provide a collaborative and coordinated response by the criminal justice system, civil legal system (Child Welfare, restraining orders), and the victim services system. It has been highly successful in intervening with very dangerous, persistent perpetrators and in helping those victims at high risk to obtain needed services and to be safer. It is designed to encourage State, Local, and Tribal governments and courts to treat domestic violence, dating violence and stalking as serious violations of criminal law.

This grant submission will support the continuation of the DVERT project, which includes existing partnerships with Multnomah County Sheriff's Office, Portland Police Bureau, Department of Community Justice, District Attorney's Office, Oregon Department of Human Services Child Welfare, and non-profit victim services.

3. Explain the fiscal impact (current year and ongoing)
