General Information

1. What action are you requesting from the Board?

It is recommended that the Board of County Commissioners adopt the budget for FY 2015. At the time of adoption, the Board can incorporate amendments that reduce the budget by any amount or increase any fund up to 10%.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Adoption of the budget sets the upper limit on departmental spending during the next year. Several proposed amendments will alter the spending plan in the approved budget. Additionally, the Budget Office has several amendments that are technical in nature (e.g. correct errors, reclassify positions, move appropriations between organizations or line items without changing programs, add unbudgeted revenues, or make programmatic changes). The Board has had an opportunity to review and discuss these amendments.

3. Explain the fiscal impact (current year and ongoing).

Adopting the budget sets the legal limits for spending during FY 2015 and is required to comply with Oregon Budget Law.

4. Explain any legal and/or policy issues involved.

The TSCC hearing on the Approved Budget took place on May 22nd, 2014. Budget staff received information on recommendations or objections from the TSCC, and the responses to any TSCC

recommendations or objections will be incorporated in an attachment to the Resolution Adopting the FY 2015 Budget. Additionally, the attachments of budget amendments, appropriations, and notes will be added when as soon as they are available

5. Explain any citizen and/or other government participation that has or will take place.

Three evening public hearings were held on April 30th, May 7th, and May 14th to collect public input on the budget. Citizen Budget Advisory Committees have reviewed the program offers and made presentations with recommendations to the Board of County Commissioners. Transmitting the Executive Budget to the TSCC allowed the public and Board further time to review the Chair’s Budget before final adoption.
