Contact(s): Brian Vincent

Phone: (503) 988-5050 Ext. I/O Address:

Presenter

Name(s) &

Title(s): N/A

General Information

1. What action are you requesting from the Board?

Approve the Amendment to the existing IGA with the Oregon Department of Transportation (ODOT).

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Multnomah County entered into an IGA with ODOT on 04/23/2014 to replace an existing culvert on Stark Street over Beaver Creek and minor construction on Troutdale Road Culvert over the same creek. Both the Stark Street and Troutdale Road culverts impose barriers to Anadromous fish populations in Beaver Creek. This amendment:

- Removes the Troutdale Rd culvert work from the IGA. The work will now be performed in coordination with Oregon Department of Fish and Wildlife in a separate effort.
- Addresses ODOT environmental staff roles, responsibilities and cost associated with their work
- Allows the County to hire a consultant under County purchasing rules as a pilot/ test for the direct appointment - consultant selection phase of the ODOT / FHWA certification program.

3. Explain the fiscal impact (current year and ongoing).

No Impact

4. Explain any legal and/or policy issues involved.

N/A

5. Explain any citizen and/or other government participation that has or will take place.

N/A

Required Signature
