Please let me know if you need anything further from us in order for you to approve this Arata Rd IGA Amendment. The amendment addresses changes in the design scope dictated by the project development.

We would like to proceed with Board approval and get this processed. Thanks.

Matt;

please review the attached IGA and let me know if you have any comments. we finished our reviews and we have no comments. we have had few rounds with ODOT before this final version is submitted to address the design changes that triggered this amendment. I attached the original executed IGA for your reference.

please let me know if you have any questions.
