## COMMITTEE TO PRESENT FINAL RECOMMENDATIONS AUGUST 10

The Multnomah County Charter Review Committee, in accordance with provisions specified in the Multnomah County Home Rule Charter, will present their findings, conclusions and recommendations, including amendments they propose to the Charter, at the formal meeting of the Board of County Commissioners, Thursday morning, August 10, 1978. The Board will meet at 9:30 a.m., Rm. 602, County Court House.

Committee Chairman John R. Faust, Jr., will present the Committee's recommendations to include five Charter related ballot measures on the November ballot. They are as follows:

- 1) Separation of County executive and legislative functions, creating district representation, and providing for transition.
- 2) Clarification of discrimination and revising gender references.
- 3) Creation of another Charter Review Committee in 1983.
- 4) Creation of nonpartisan County elective offices.
- 5) Revenue bonding authority for Board of Commissioners not payable from taxes.

Composed of 16 members, a Democrat and Republican from each state senate district in Multnomah County, the Committee has been holding public meetings and hearings since January, 1978. The recommendations presented to the Board of County Commissioners on August 10, culminate seven months of effort.

## DISTRICTING RECOMMENDED

A proposal recommending a reorganized county commission composed of five commissioners elected from districts to four year terms has been submitted to the Multnomah County Charter Review Committee by the Districting Subcommittee.

"Testimony at recent public hearings and input otherwise received by your Subcommittee has been overwhelmingly in favor of districting," said Jack Faust, Chairman of both the Districting Subcommittee and full Committee. "There is evidence that many of those who expressed reservations about districting will accept a fair system of districting which is part of a charter reform package including checks and balances such as the establishment of a separate County Executive, elected at large with veto power."

The Subcommittee also made a preliminary recommendation for an administrative spending freeze on the budget for the Board of County Commissioners calling for FY 1979-80 Board appropriations not to exceed the approved 1978-79 budget. The Subcommittee felt the voters should have an effective guarantee that addition of a commissioner to the board will not increase the cost.

The full Committee will vote on these and other issues at meetings scheduled for Monday evenings July 17 and 24, 7:30 pm, Multnomah County I.E.D., 220 S. E. 102nd. A final public hearing has also been scheduled for Monday, July 31, 7:30 pm, Grant High School Cafeteria.

## REPORT OF THE SUBCOMMITTEE ON DISTRICTING

### 1. Recommendation on districting.

The districting subcommittee unanimously recommends that a board of five commissioners be elected from districts for four-year terms.

The transition would be as follows: The chairman elected this November would continue in office as County Executive through 1982. Commissioners Buchanan and Mosee would continue in office through 1980 as representatives of the districts in which they reside. The two commissioners to be elected this November would continue in office through 1982 as representatives of the districts in which they reside. Conflicts in residence would be resolved as set forth in the preliminary report. The new commissioner, to be elected in a special election in Spring 1979, would continue in office through 1980. Thereafter, the County Executive and two district representatives would be elected in one biannual election, and three district representatives in the alternating biannual election.

### 2. Reasons for recommendation.

The testimony at the recent public hearings and input otherwise received by your subcommittee has been overwhelmingly in favor of districting. We believe it has become increasingly apparent that much of the earlier opposition to districting was not so much to the concept itself as to the manner in which previous districting was effected. There is evidence that many of those who expressed reservations about districting will accept a fair system of districting which is part of a charter reform package including checks and balances, such as the establishment of a separate County Executive, elected at large, with a veto power. Further, your committee is convinced by testimony that the structure of Multnomah County government is such that most of the fears expressed about districting, such as the threat of "log-rolling" and "pork-barreling", have little basis.

To further allay concerns of those who have expressed reservations about districting, your subcommittee considered -- pending legal counsel's opinion -- a provision that district representatives could be recalled by voters of the county at large, as well as by voters of the district.

3. Recommendation for administrative spending freeze.

Your subcommittee recommends a charter provision as follows:

"Total appropriations for the Board of County Commissioners for the 1979-80 fiscal year shall not exceed the appropriations for the Board of County Commissioners set forth in the county's approved budget for the 1978-79 fiscal year, and annual increases thereafter shall be only such as are necessary and consistent with economical management."

This would limit the total 1979-80 budget for the board of Commissioners to the 1978-79 figure of \$511,953.00, see Section H-6 of the 1978-79 budget. That figure includes not only the commissioners' salaries, but all administrative expenses of the board, including staff, professional services, travel, office supplies, etcetera.

4. Reasons for recommendation.

Your subcommittee feels strongly that the form of government proposed, with the executive separated from the board and the board elected from districts, will be more responsive to voter concerns for economy. However, your committee recognizes possible substantial voter resistance to the cost of the addition of a new commissioner necessitated by the separation of the executive from the board. Your committee believes the voters should have an effective guarantee that addition of a commissioner to the board will not increase the cost. A limitation on commissioners' salaries might simply deter good candidates from seeking office without providing any guarantee against overall cost increases by reason of larger staffs and other administrative expenses. Your subcommittee feels that a lid on all administrative costs of the commission both assures the public that there will be no increased cost and gives the board flexibility to determine how best to economize. As for the future, any major increase of costs over the 1979-80 "freeze" year would not only be a violation of the recommended charter mandate for limited increases but would be sufficiently obvious to invite a political response.

Respectfully submitted,

John R. Faust, Jr. , Chairman

Subcommittees of the Multnomah County Charter Review Committee will report their preliminary findings to the full Committee on April 24, 7:30 pm, Seminar Room, Multnomah County I.E.D., 220 S.E. 102nd. Following are brief summaries of their activities:

TERM AND VACANCY, Larry Mylnechuk, Chairman: This Subcommittee is presently tending to favor retention of four year terms for Commissioners. They are researching national models for filling vacancies on county boards.

DISTRICTING, John Faust, Chairman: This group is working on a proposal for the establishment of four districts with part-time Commissioners paid at  $\frac{1}{2}$  salary; three at-large Commissioners, full-time; and, a non-voting, full-time Chairman, elected at-large with executive and veto powers.

WILDCARD, Terry Hannon, Chairman: Topics being discussed by this Subcommittee are the Auditor's office, separation of executive and legislative powers on the Board, non-partisan elections, part-time Commissioners, non-recourse revenue bonding authority without a vote of the people, and, an on-going or regularly recurring Charter review process which could include the study of possible mergers of various County services with the City and/or the Metropolitan Service District.

FOR IMMEDIATE RELEASE

4/25/78

Julie Keller Gottlieb,  
Administrative Secretary

The Multnomah County Charter Review Committee met Monday, April 24, 1978 to hear Subcommittee reports. These reports will be open to discussion and suggestions at weekly Monday night meetings throughout the month of May and at public hearings throughout the month of June. Summaries of these preliminary reports are as follows:

DISTRICTING - The Districting Subcommittee presented a proposal and an alternative for the Committee to consider. The proposal was for a seven member County Commission with three full-time Commissioners elected at large and four part-time Commissioners (one quarter salary) elected from districts. The alternate proposal was for five full-time Commissioners, two at large, and three from districts. District Commissioners would be subject to a residency requirement. Redistricting after 1980 would be done by the Auditor upon report from the elections division.

SEPARATION OF EXECUTIVE AND LEGISLATIVE POWERS - The Wildcard Subcommittee in concurrence with the Districting Subcommittee suggested a full-time chief executive officer who would essentially retain the present powers of the Chairman of the Board but would no longer vote as a member of the Board. The executive officer would prepare the budget, attend and be heard at Commission meetings, appoint administrative officers, and execute the policies and ordinances of the Board. The executive would have veto power but could be overridden by 2/3rds of the Board. The Subcommittee recommended the chief executive be elected at large, and the Board elect its own presiding officer annually.

TERM - Both the Term and Vacancy Subcommittee and the Districting Subcommittee recommended retaining four year terms.

REVENUE BONDS - The Wildcard Subcommittee has suggested the Committee consider making a recommendation that the County be allowed to issue revenue bonds with the specific requirement they not be paid from property taxes.

OTHER - The Wildcard Subcommittee also made recommendations that changes be made in the Charter to include the feminine and neuter as well as the masculine gender, that a disability clause be included, and that the Charter incorporate the State nondiscrimination laws. The Wildcard Subcommittee also presented, without a recommendation, a proposed amendment creating nonpartisan elective offices. The Term and Vacancy Subcommittee suggested that the full Committee resolve the issues of partisan vs. nonpartisan elections and districting before adopting a position on how best to fill vacancies on the Board.

SCHEDULE: Committee meetings are scheduled for 7:30 pm, Monday nights May 1, 8, 15, 22, at the Multnomah County I.E.D., Seminar Room, 220 S. E. 102nd. Public hearings are scheduled for Mondays, 7:30 pm, June 5 (Roosevelt High Cafeteria), June 12, (Cleveland High Cafeteria), June 19 (Lincoln High Cafeteria), and June 26 (Mt. Hood Community College, Town and Gown Room).

TO: DEL GREENFIELD  
FROM: DIANE TRUDO

Dear Del,

Attached is the press release I sent out this date to the various newspapers we discussed on the telephone (Willamette Week, Community Press, Gresham Outlook, Neighborhood Assn., etc.). I have also sent the press release to a number of other community newspapers I thought appropriate. Thanks for letting me know in advance the meeting dates.

I will do a "full-scale" press release mailing after the January 30, 1978, meeting of the Committee.

You will note I listed you as contact person. I hope you don't mind.

Sincerely,

Diane

FOR IMMEDIATE RELEASE

Contact Person: Mrs. Del Greenfield  
Chairperson, Agenda  
Committee  
292-5356

The Multnomah County Home Rule Charter Review Committee will begin holding public hearings to hear public testimony in connection with the scope of the Committee's charge, it was announced today.

One meeting will be held in each of Multnomah County's eight senatorial districts. The first hearing, scheduled for District 12, will be held on Monday, February 6, 1978, at 7:30 p.m., in the Vista Room of Mount Hood Community College. The college is located at 26000 SE Stark Street, Gresham.

The second of these hearings will be in District 11 on Monday, February 13, 1978, at 7:30 p.m., in Room 51 of the Junior Building at David Douglas High School, located at 2900 SE 122nd Avenue.

Citizens from the two senate districts are invited to present their views and suggestions to the Committee at these meetings.

FOR IMMEDIATE RELEASE

Contact Person: Mrs. Del Greenfield  
Chairperson, Agenda  
Committee  
292-5356

A luncheon meeting of the Multnomah County Home Rule Charter Review Committee will be held Monday, February 6, 1978, at the Oregon Historical Society, Beaver Hall (ground floor), 1230 SW Park, Portland (please use Broadway entrance). The meeting will be held from 11:30 a.m. to 1:00 p.m. It is anticipated the meeting will feature speakers representing the Reform Our County Charter Committee, the Citizens' for Good Government Committee and the original Home Rule Charter Committee.

Members of the public are urged to attend. Lunch will not be provided, and it is suggested that persons bring their own lunch or plan to eat lunch after the meeting.

November 15, 1977 - 2

Committee members are required to chose their own chairman and to begin to hold public meetings and hearings before the second week of January 1978. Their charge includes, but is not limited to, examination of the following four issues:

- The possibility of establishing single member districts
- The possibility of two-year rather than the present four-year terms for Commissioners
- A change in the method of choosing the Chairman
- A change in present procedure of filling vacancies by appointment

"Although our home rule charter is just ten years old, I think it can benefit from this sort of careful and responsible review," Clark said, adding that he expects that the Committee will not confine its investigation to the four areas of study specified in the ballot measure.

The Committee's findings, conclusions, and recommendations must be finalized and made public by the third week in August of next year. All of the proposals will be submitted to the voters in the November 1978 general election.

Clark suggested that citizens interested in serving on the Committee but uncertain of which legislator to contact, should call the Registrar of Elections at 248-3720.

Larry Hildebrand, city editor, advises that the city desk is always staffed and all information coming to that desk will be routed to the proper people. Let them know when there's an interesting story, but make sure you give them advance notice. The paper is a market for a variety of news and feature stories, but it must be beyond the interest of a specific group.
