Multnomah County Courthouse Renovation Feasibility Study

Briefing to Commissioners
April 2002 - Draft

"Givens" of Original Assignment

- ▶ Renovate Courthouse for continued court use and historic character
- ▶ Support court operations during renovation
- ▶ 20-40 year time horizon
- ▶ Identify future court needs
- ▶ Consider needs of growing East County population

Keep in mind

- ▶ Urgent need to improve MCCH deficiencies
- ▶ Renovation displaces courts for 3 years, thus requiring interim space solutions
- ▶ Even with expansion, MCCH can only house 7 more courts than current
- ▶ By 2040, need 28 more courtrooms
- ▶ Long-term objective: how to add 21 courts more than renovating MCCH alone

East County court needs

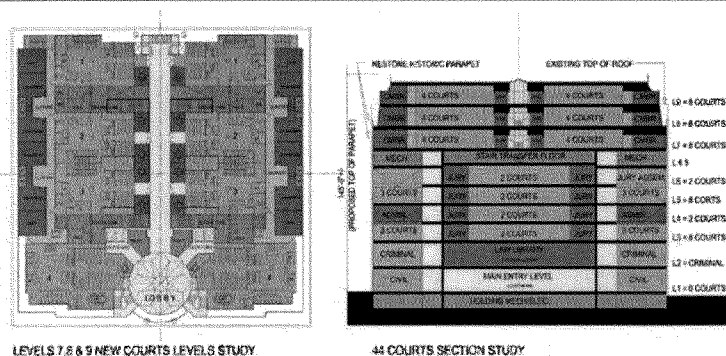

Needs vary with assumptions:

- ▶ Traffic/small claims satellite: Convenience for high-volume visits, e.g. traffic tickets—avoid need for trips downtown = **4-8 courts**
- ▶ Full-service courthouse: Proportion of caseload generated in East County, currently 25% of total County population
= **16 - 18 courts** in 2040

MCCH Renovation Options

- ▶ "Do nothing" is not a viable option
- ▶ MCCH Renovation options achieve 36-46 courts (up to 7 more than current)
- ▶ MCCH must be vacated to renovate:
 - seismic, ADA and code upgrades
 - building systems—HVAC, plumbing, electrical and data, etc.
 - security

Findings: Court Needs and Operations

- ▶ Current 50.5 courtrooms should grow to 64-79 in 20-40 years (14-28 more)
- ▶ Criminal courts alone need 18 now
- ▶ Court efficiency benefits by co-location of civil/criminal—judges do both as needed
- ▶ Family Law could consolidate at Juvenile location
- ▶ Justice operations depend on close adjacencies, timing and courtroom availability to achieve results—cases resolved

Findings: Court Needs and Operations

Findings: Interim Space

- ▶ Lease for Interim?
 - No obvious low cost options due to specialized requirements
 - Civil courts can lease/convert office floors
 - Criminal courts cannot share a building due to security requirements
- ▶ Interim is much more expensive (\$/SF/Year) than permanent space
- ▶ Ideal is to create interim space that serves permanent need

Findings: Interim Space

Multnomah County Courthouse Renovation Feasibility Study

Briefing to Commissioners
April 2002 - Draft

"Givens" of Original Assignment

- ? Renovate Courthouse for continued court use and historic character
- ? Support court operations during renovation
- ? 20-40 year time horizon
- ? Identify future court needs
- ? Consider needs of growing East County population

Keep in mind

- ? Urgent need to improve MCCH deficiencies
- ? Renovation displaces courts for 3 years, thus requiring interim space solutions
- ? Even with expansion, MCCH can only house 7 more courts than current
- ? By 2040, need 28 more courtrooms
- ? Long-term objective: how to add 21 courts more than renovating MCCH alone

East County court needs

Needs vary with assumptions:

- ? Traffic/small claims satellite: Convenience for high-volume visits, e.g. traffic tickets—avoid need for trips downtown = **4-8 courts**
- ? Full-service courthouse: Proportion of caseload generated in East County, currently 25% of total County population
= **16 - 18 courts** in 2040

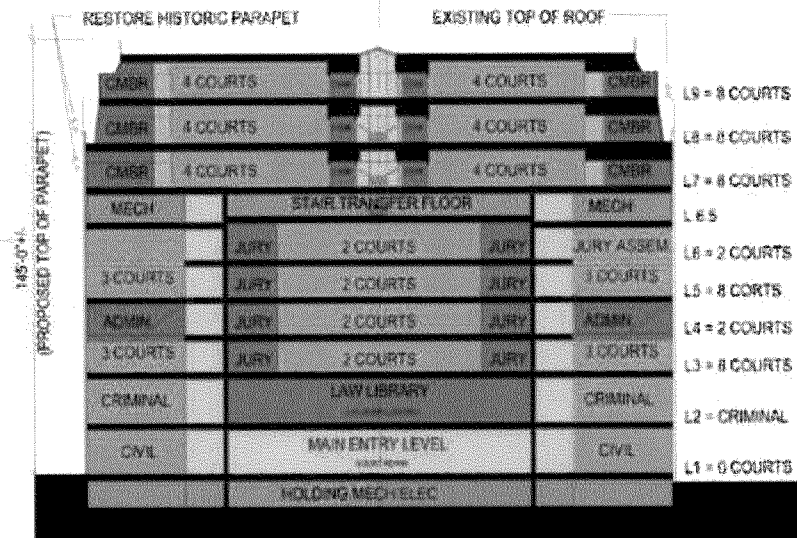

MCCH Renovation Options

- ? “Do nothing” is not a viable option
- ? MCCH Renovation options achieve 36-46 courts (up to 7 more than current)
- ? MCCH must be vacated to renovate:
 - seismic, ADA and code upgrades
 - building systems—HVAC, plumbing, electrical and data, etc.
 - security

Findings: Court Needs and Operations

- ? Current 50.5 courtrooms should grow to 64-79 in 20-40 years (14-28 more)
- ? Criminal courts alone need 18 now
- ? Court efficiency benefits by co-location of civil/criminal—judges do both as needed
- ? Family Law could consolidate at Juvenile location
- ? Justice operations depend on close adjacencies, timing and courtroom availability to achieve results—cases resolved

Findings: Interim Space

- ? Lease for Interim?
 - No obvious low cost options due to specialized requirements
 - Civil courts can lease/convert office floors
 - Criminal courts cannot share a building due to security requirements
- ? Interim is much more expensive (\$/SF/Year) than permanent space
- ? Ideal is to create interim space that serves permanent need
