1. Brief overview of grant's purpose and/or impact.

Multnomah County's Drug Court Enhancement Housing proposal would build on the success of the county's Adult Drug court, Success Through Accountability, Restitution and Treatment (START) by ensuring a full array of interventions other than substance abuse treatment. Having funds to provide assistance with housing issues and to access low barrier housing would improve participant's symptoms of distress, provide for their basic living needs, and improve participants' long-term adaptive functioning. Low barrier housing can assist the drug courts' long term success through meeting participant's basic needs and thus reducing the amount of relapses.

Where indicated, participants would receive assistance finding safe, stable, low barrier housing beginning in the first phase of Drug Court and continuing as necessary throughout their enrollment in the program. The funding from the proposed grant would pay for a housing coordinator and rental assistance. Participants would receive rental assistance for which they have an assessed need. Participants are unlikely to succeed in treatment if they do not have a safe, stable, and drug free place to live. No study has been identified that examined the impact of housing assistance on Drug Court outcomes. However, studies in similar contexts have reported improved outcomes when housing assistance was provided for parolees reentering the community after prison.

2. Brief overview of how proposal is aligned with Department's strategic direction.

Resource Management - We will direct our resources to delivering cost-effective services.

3. Describe any community and/or government input considered in planning for this grant. Collaboration with START Team members to include: Court coordinator and InAct Supervisor and finance specialist. DCJ Team members include: Finance Supervisor; County Grant writer; assigned DCJ Grant writer; Contract Specialist; START Supervisor; and ARC Supervisor (housing expert).

4. What partners may be included in program activities?

Multnomah County Drug Court, START staff and contractors; Housing Contractor; and ARC staff.

5. Generally, what are the grant's reporting requirements?

Quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through GMS, and quarterly performance metrics reports through BJA's Performance Measurement Tool.
