### Our Mission

*The Joint Transition Assistance Program empowers returning Service Members, Veterans, and Commands with tools for reintegration back into their communities, careers, education, health care and families. We will achieve this with innovative outreach through partnerships in Oregon, and other areas as needed*

We are your one-stop shop for direction and resources to help you and your troops

## Yellow Ribbon Reintegration Program

The Yellow Ribbon Program is a Department of Defense effort to support National Guard and Reserve members and their families with information on benefits and referrals before, during, and after deployments.

The 30-day events provide Service Members and their families with information on health, employment, military entitlements and benefits, as well as legal resources.

The 60-day events are similar to 30-day events; however, they provide more depth. The 60-day events may host Career and Benefit Fairs with the approval of Unit Command.

The 90-day events focus on Post Deployment Health Risk Assessment (PDHRA). The PDHRA is designed to assess the physical and mental health of returning Veterans. The 90-day event is for the Service Member only.

Professional childcare is available for those who pre-register for the 30 and 60-day events.

**All attendees must register prior to the event:**

**[www.JointServicesSupport.org](http://www.JointServicesSupport.org)**

The Oregon National Guard has incorporated JTAP personnel in all demographic areas of the State, with all branches of the service represented. These personnel are in your area ready to assist you with all Pre and Post-Mobilization questions or referrals, primarily focusing on what our program calls The Big Three:

1. Careers
2. Education
3. Health (Physical and Mental)
