

1 BEFORE THE BOARD OF COUNTY COMMISSIONERS
2 FOR MULTNOMAH COUNTY, OREGON
3 ORDINANCE NO. 679

4
5
6 An Ordinance amending the Multnomah County Code Chapter 11.15 by restricting the
7 Planned Development Subdistrict to the urban and RC, RR and MUA-20 rural districts.

10 Multnomah County Ordains as follows:

11
12
13 Section I. Findings.

14
15 (A). The 1990 Multnomah County Ordinance Number 643 included amendments to
16 MCC Chapter 11.15 that eliminated the Rural Planned Development (RPD) Subdistrict and
17 permitted the Planned Development (PD) Subdistrict to be applied in the Rural Center (RC),
18 Rural Residential (RR), and Multiple Use Agriculture (MUA) rural “exception” zoning
19 districts. Previously, the PD Subdistrict had been applied only to urban zoning districts.

20
21 (B). The 1990 amendments to the Planned Development Subdistrict attempted to
22 exclude the PD provisions from being applied in the rural farm and forest resource protection
23 zoning districts. The “resource” zoning districts are the Exclusive Farm Use (EFU),
24 Commercial Forest Use (CFU) and Multiple Use Forest (MUF).

25
26

1 (C). The amendments were a result of the Periodic Review study of “Changes in
2 Circumstances” completed for the State of Oregon Department of Land Conservation and
3 Development (DLCD). Part of that study included an examination of the number of “non-
4 resource dwellings” that had been approved in farm and forest zones. Such dwellings are not
5 in compliance with the resource lands preservation strategies of Statewide Planning Goals 3,
6 Agricultural Land and 4, Forest Lands. In the Periodic Review Order and in personal contact
7 with DLCD staff it was acknowledged that “non-resource dwellings” would result from
8 planned developments which created small new lots for homes which had only a divided
9 interest in the larger farm or forest “common area tract”.

10
11 (D). County Counsel has recently advised that the existing code language would, even
12 after the 1990 amendment, allow the Planned Development Subdistrict to be applied in the
13 resource protection zoning districts. Therefore, subsection MCC 11.15.6201 is added which
14 specifically excludes the EFU, CFU and MUF zoning districts from the list of zoning districts
15 in which the Planned Development Subdistrict may apply.

16
17
18 Section II. Amendment.

19 Multnomah County Code Chapter 11.15 is amended to read as follows:

20
21 **11.15.6201 Areas Affected**

22 The Planned Development Subdistrict may only be applied in all urban districts and in the
23 MUA-20, RR and RC rural districts.
