General Information

1. What action are you requesting from the Board?

Reappoint John Ingle to the Planning Commission for a four-year term.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Multnomah County is required to have a citizen involvement committee that is broadly representative of the geographic areas of the County. The Planning Commission assists the County with the development of our land use planning legislative program. There are nine (9) members who serve four-year terms. Commissioners can be reappointed beyond two terms if there is unanimous agreement from the Board of County Commissioners. No more than two members of the Commission can be engaged in the same kind of business, trade or profession.

John has served on the Planning Commission since 1991. John is an Economist and lives on the east side of the county. He has been a dedicated and involved Planning Commissioner and currently serves as Chair. His new term would be for April 28, 2011 through April 28, 2015.

3. Explain the fiscal impact (current year and ongoing).

There is no fiscal impact. The Planning Commissioners are volunteers. Staffing the Planning Commission is included in the Land Use and Transportation Planning budget.

4. Explain any legal and/or policy issues involved.

The County is required to have a Citizen Involvement Committee by State code. The Planning Commission serves this purpose for the County's Comprehensive Plan and Code.

5. Explain any citizen and/or other government participation that has or will take place.

If a vacancy occurs, there is public outreach to find new volunteers for the Planning Commission. Since this is a reappointment, no public outreach was conducted.
