24 C. **Parental Leave:** Sick leave may be used by employees during Parental Leave as defined by
25 FMLA and/or OFLA, except that the amount of leave taken by the other parent of the employee's child will not
26 affect the amount of Parental Leave available to the employee.

27
28 D. **Occupationally Related Conditions:** Use of sick leave for occupationally related conditions is
29 limited to the provisions of Article 12, Workers' Compensation.

30
31 2. **Accrual:** Employees shall accrue sick leave at the rate of .0461 hours for each straight time hour
32 worked. Sick leave may be accrued on an unlimited basis.

33
34 3. **Charging for Sick Leave:** Sick leave shall be charged in accordance with the uniform time charging
35 provisions of Article 14.

36
37 4. **Reporting of Sick Leave:** Employees must notify their immediate supervisor, if available, or work site
38 no later than fifteen (15) minutes after the start of their shift. Failure to so report may result in loss of pay for the
39 day involved. The provisions of this section do not apply if the employee cannot reasonably report such sick
40 leave due to unforeseen circumstances.

41
42 Employees shall submit their sick leave request to their immediate supervisor or on-duty supervisor for those
43 circumstances which allow prior notice (example – HCP appointment). Each sick leave request shall be
44 completed by the supervisor and returned to the Employee within two (2) business days whenever possible.
45 Approved sick leave requests shall not be rescinded or altered by management unless a bona fide emergency
46 exists. An employee retains the right to rescind an approved sick leave request. An employee also retains the
47 right to alter his or her request, with the approval of management.

48
49 5. **Use and Misuse of Leave for Sick Leave Purposes:**

50
51 A. **Counting Against FMLA, OFLA Entitlements:** Sick leave and any other forms of paid or
52 unpaid leave used for FMLA and/or OFLA qualifying conditions, or absence due to a deferred or approved
53 Workers Compensation claim based on such conditions, will be counted against an employee's annual FMLA
54 and/or OFLA leave entitlements, except that Workers Compensation leave will not be counted against OFLA
55 leave entitlements.

56
57 B. **Legitimate Use:**

58
59 1. **Verification of use:**

1
2 a. Pursuant to Multnomah County policy, management must require the
3 completion of a certification form by the employee's health care provider and any other verifications provided for
4 under the provisions of the FMLA, OFLA, or their successors.
5

6 b. The County may require an employee to submit written certification from an
7 employee's physician or other acceptable verification of eligibility to receive sick leave benefit under any of the
8 following conditions:
9

10 i. Whenever the employee's absence exceeds three (3) consecutive
11 workdays for a given event;
12

13 ii. Whenever the County can articulate reasonable cause to believe that a
14 misuse or abuse of sick leave has occurred, including but not limited to questionable usage, questionable
15 patterns of usage or calling in sick on a previously denied day off, provided the employee has been previously
16 notified by a supervisor or Human Resources representative in writing that, due to such concerns, future
17 verification may be required. Employees notified of such reasonable cause may be required to furnish a
18 certification for each use of sick leave for a period not to exceed six (6) months following the notice.
19

20
21 2. **Discipline:** Subject to the limitations of law, including but not limited to those of the
22 FMLA and/or OFLA, discipline may be imposed under the following conditions:
23

24 a. **Abuse of sick leave:** Misuse of leave, violation of orders, directives, or
25 contractual requirements concerning the use of sick leave and other forms of leave used in lieu of sick leave are
26 cause for disciplinary action.
27

28 b. **Use of accrued sick leave:** Use of accrued sick leave, without abuse of such
29 leave, will not be cause for discipline. When the intermittent use of accrued sick leave or other paid or unpaid
30 leave used in lieu of sick leave interferes significantly with an employee's ability to perform the duties of his or
31 her job, management may do the following (subject to the requirements of law, including, but not limited to, the
32 FMLA and/or OFLA): Require the employee to take continuous leave; or change the employee's work
33 assignment for six (6) months or until use of intermittent leave ends, whichever comes sooner; in such cases the
34 provisions of Article 24 will not apply.
35

36 c. **Excessive absenteeism:** The parties recognize that every employee has a
37 duty to be reliably present at work, and that failure to confine sick leave usage to accrued and available sick
38 leave raises the possibility of discipline for excessive absenteeism. Such cases, however, are subject to just
39 cause review and require systematic examination of relevant factors, including but not limited to: Any legal
40 requirements, including, but not limited to those of the FMLA, OFLA or the ADA; The tenure and work history of
41 the employee, specifically to include whether there have been previous instances of this pattern of absenteeism;
42 Whether there is a likelihood of improvement within a reasonable period of time based on credible HCP
43 evidence; The particular attendance requirements of the employee's job; The pattern of use, and whether the
44 absences are clearly for bona fide sick leave purposes.
45

46 C. **Sequencing of Leaves:** The use of vacation leave, saved holiday time, compensatory time,
47 and leave without pay is subject to approval by management according to the requirements of Articles 7, 8, 9,
48 and 11, respectively. However, unless otherwise required by law, forms of leave shall be used and exhausted
49 in the following sequences:
50

51 1. Leave for illness or injury that does not qualify for FMLA and/or OFLA will be taken in
52 the following order: Sick leave until it is exhausted; Vacation leave, saved holiday time, or compensatory time,
53 sequenced at the employee's option, until they are exhausted; Leave without pay.
54

55 2. Leave that qualifies under FMLA and/or OFLA will be taken in the following order: Paid
56 leave until it is exhausted; employees will determine what order paid leave is used; Leave without pay.
57

58 3. Leave for other purposes will be taken in the following order: Vacation leave, saved
59 holiday time, or compensatory time, sequenced at the employee's option (to the extent allowed by vacation sign-
60 up provisions) until they are exhausted; Leave without pay.

1
2 D. **Limitations on the Use of Leave Without Pay in Lieu of Sick Leave:** Use of leave without
3 pay in lieu of sick leave for non-FMLA and non-OFLA qualifying conditions is subject to the approval of
4 management and further subject to the following provisions:

5
6 1. **Continuous leave:** In the event of a continuous leave of absence without pay in excess
7 of any legal requirement of the FMLA or OFLA, the County may require from the employee's HCP, and/or
8 arrange for the employee to see a HCP selected by the County to examine the employee and provide a
9 statement of the disability, current condition, and the anticipated length of current absence. If the County
10 requires the employee to see a HCP it has selected, it will pay the costs. If deemed necessary by the County,
11 such an examination shall be repeated every thirty (30) days. If management determines that continued leave
12 would not be in the best interest of the County, then any resulting termination would be subject to review under
13 the just cause standard as to the reasonableness of this determination. Following six (6) months of leave without
14 pay, to include time spent on unpaid FMLA and/or OFLA leave, any extension of the leave shall be deemed
15 permissive on the part of the County and if the employee's leave is not extended, and the employee does not
16 return to work, the employee will be deemed to have resigned.

17
18 2. **Intermittent leave:** Intermittent leave without pay used in lieu of sick leave is not
19 subject to the six (6) month entitlement provided for above. When such leave significantly affects an employee's
20 job performance and is not subject to the requirements of law (including but not limited to the FMLA/OFLA),
21 management may evaluate the employee's use of leave according to the criteria of "Section B.2.c" above. HCP
22 information as provided for in "Section D.1" above may be required for the evaluation. After completing the
23 evaluation, management may do one of the following:

24
25 a. Approve a similar pattern of intermittent use of unpaid leave for a specified
26 period followed by another evaluation; or

27
28 b. Put the employee on a work plan to manage the use of leave without pay,
29 followed by disciplinary action if the plan is not successfully completed; or

30
31 c. Proceed with the disciplinary process.

32
33 E. **Use of Paid Leave in Counting FMLA/OFLA Eligibility:** Only actual hours worked will be
34 counted when reviewing the number of hours worked to determine if an employee meets the minimum hours
35 worked eligibility requirements to be covered under FMLA and/or OFLA. Paid time off (such as vacation leave,
36 sick leave, and compensatory time taken) does not count toward FMLA and OFLA requirements.

37
38 6. **Disability Insurance and Catastrophic Leave:**

39
40 A. **Disability Insurance:**

41
42 1. **Short term disability:** Any employee covered by this Agreement may participate in the
43 short-term disability insurance program developed by the Federation and the County (consistent with carrier
44 contract(s)), the monthly premium to be paid individually through payroll deduction.

45
46 2. **Long-term disability:**

47
48 a. All bargaining unit employees will be covered by a County-paid group long-term
49 disability insurance policy, the provisions of which will be the same as those in the UNUM group policy available
50 to Multnomah County employees.

51
52 b. The County will pay for COBRA medical and dental insurance coverage for a
53 period of up to six (6) months beyond the month in which benefits would normally terminate for an employee
54 with an approved long-term disability claim. However, employees who "opt out" of benefits coverage under the
55 provisions of Article 10, "Section 1. D." of this Agreement will not be eligible for continued County-paid coverage
56 under this subsection.

57
58 c. If proposed by management and approved by the Federation, changes in short
59 term and long-term disability insurance coverage will be put into effect.

1 7. **Sick Leave Records:** The medical or psychological records will be maintained in accordance with
2 requirements of the Americans with Disabilities Act or other applicable law.
3

4 8. **Other Sick Leave Provisions:** Employees who are absent on sick leave for a period in excess of their
5 accrued sick leave shall be allowed to use their accrued vacation, saved holiday, and/or compensatory time to
6 cover such time off. At the option of the employee, the employee may retain up to forty (40) hours of vacation
7 time prior to being placed on leave without pay. Leaves without pay shall be subject to the approval of
8 management.
9

10 9. **Use of Sick Leave During Leave:** Sick leave may not be used during the term of any unpaid leave of
11 absence. Sick leave may not be used during vacation except when the employee notifies the supervisor of the
12 interruption of his or her scheduled vacation and presents reasonable evidence of a bona fide illness or injury
13 upon returning to work.
14

15 10. **Saved Holiday Bonus for Limited Use of Sick Leave:** Employees who have worked full time for the
16 entire preceding fiscal year are eligible to receive Saved Holiday Time as a bonus incentive for low sick leave
17 usage, as specified below.
18

19 A. Eligible employees who use no more than eight (8) hours (does not include FMLA/OFLA) of sick
20 leave in a fiscal year will receive two (2) days Saved Holiday Time for use after July 15 of the following fiscal
21 year.
22

23 B. Eligible employees who use more than eight (8) hours but no more than sixteen (16) hours of
24 sick leave in a fiscal year will receive one (1) day Saved Holiday Time for use after July 15 of the following fiscal
25 year.
26

27
28 11. **Fitness for Duty:** The parties recognize that employees have the responsibility to report to work fit for
29 duty. To ensure such fitness, management may send employees for medical or psychological examination when
30 the supervisor articulates why he/she reasonably believes that the employee is not fit for duty or may be a
31 danger to themselves or others. Any such examinations will be at County expense. Should an employee be
32 required by the Employer to undergo a fitness for duty examination, the employee shall do so without a loss of
33 pay or benefit(s) and the employer shall bear the expense of such examination. The employer may request from
34 the employee an HCP's release of information that relates only to the employee's ability to perform the job. Any
35 written information the HCP provides the employer will also be provided to the employee.
36

37 12. **Catastrophic Leave Program:** The parties recognize that a Catastrophic Leave Program has been
38 implemented which allows the donation of vacation leave, or compensatory time, or unused holiday leave to ill
39 or injured county employees who have exhausted all paid leave. This program may be terminated only subject
40 to the terms and conditions of the implementing Ordinance.
41

42 13. **Transfer of Accruals:** When an employee is promoted, transferred, demoted, appointed, or otherwise
43 moves to another department or classification within the County, the employee's accumulated sick leave
44 balances shall be transferred with the employee to the gaining department / classification.
45

46 14. **Retirement:** Upon retirement, sick leave shall be reported to and counted for PERS final average
47 salary calculation as allowed by PERS.
48

49 **ARTICLE 9 - OTHER LEAVES**

50
51 1. **Unpaid Leaves of Absence:** Leaves of absence without pay for a period of up to six (6) months may
52 be granted by an employee's supervisor for any reasonable purpose. The sequencing of the use of all leaves,
53 including leaves of absence without pay, is specified in Article 8. A separate standard for granting any leave of
54 absence for sick leave purpose is specified in Article 8. Any time spent on unpaid FMLA or OFLA leave shall be
55 deducted from the six (6) month period specified above. Extensions of such leaves may be granted at the
56 discretion of the supervisor.
57
58
59
60

- 1 2. **Jury Service:**
2
3 A. An employee shall be granted leave with full pay in lieu of jury fees on any scheduled day of
4 work he or she is required to report for jury duty, if upon receipt the employee submits jury fees to Payroll.
5 (Employees do not have to submit mileage and parking reimbursements.)
6
7 B. Except during an emergency or due to operational requirements, the County will not require
8 employees to report to work after completing a full day on jury duty.
9
10 C. Any employee who is excused or dismissed from jury duty before the end of the day will report
11 back to work if practicable.
12
13 D. An employee may be scheduled to work Monday through Friday, eight (8) hours per day, on day
14 shift, for the duration of jury duty with less than ten (10) days' notice. An employee may also return to his or her
15 pre-jury duty schedule with less than ten (10) days' notice after jury duty ends. There shall be no additional cost
16 to the County or days off for an employee as a result of any such schedule change.
17
- 18 3. **Subpoenas:**
19
20 A. Time spent serving as a witness in a work related legal proceeding will be treated as hours
21 worked for pay purposes in accordance with Article 11. Subpoenas out of county or state will be handled by
22 mutual agreement between the employee and the employee's manager.
23
24 B. Under no circumstances will employees be paid for time spent in a judicial proceeding or
25 hearing in which they or their Federation is the plaintiff or defendant, unless they are being defended and
26 indemnified by the County for conduct occurring during the course of employment.
27
- 28 4. **Military Leave:** The County acknowledges its obligation under state and federal law to grant paid and
29 unpaid leave for military service. Information about legally mandated military leave will be made available to
30 employees upon request from departmental Human Resources.
31
- 32 5. **Bereavement Leave:** Upon an employee's request, he or she shall be granted three (3) days leave of
33 absence with full pay in event of death in the immediate family or immediate household of the employee to make
34 household adjustments or to attend funeral services. If such funeral is beyond 350 miles, the employee may be
35 granted up to three (3) additional days with pay at the discretion of his or her supervisor for travel and personal

40 parents, siblings and step-siblings of his or her spouse or domestic partner. Immediate household shall be
41 defined as any person residing at the employee's residence on a regular basis. In relationships other than those
42 set forth above, under exceptional circumstances, the Department Director, upon request, may grant such leave
43 of absence. To provide consistency among locations, any denial from an immediate supervisor for approval of
44 leave for relationships other than those set forth above or travel days, shall automatically, and immediately be
45 forwarded to the Department Director or his or her designee for Review. In no case shall this review extend past
46 the current working day. Employees may request additional leave beyond the three (3) travel days and, upon
47 approval, may use vacation leave or sick leave for such additional time.
48
- 49 6. **Coworker Funeral or Memorial Service Leave:** Subject to the Department's business needs, with the
50 approval of the Department director, employees shall be given up to four (4) hours of paid time off to attend the
51 funeral or memorial service of a bargaining unit member.

54 County examinations and interviews for promotion, demotion, or transfer which occur during their regularly
55 scheduled shift.
56
- 57 8. **Inclement Weather and Natural Disasters Policy:** The County reserves the right to establish policy
58 with respect to attendance at work during inclement weather or a natural disaster, and further reserves the right
59 to determine whether or not an event qualifies as such event under the terms of any such policy. Any time an
60 employee is unable to work as scheduled due to such an event, such non-work time may, at the employee's

1 discretion, be charged to: Vacation leave, saved holiday time, compensatory time, leave without pay, or at the
2 employee's discretion, he or she may make up time lost due to inclement weather at any other time with no
3 reduction of pay or other benefits.
4

5 Provided further that an employee who attempts to get to work in such a County declared event, but is
6 unavoidably delayed, shall not have time charged to one (1) of the above categories unless he or she is two (2)
7 or more hours late, in which case all time late will be charged or made up at the employee's discretion. The
8 provisions of Article 14, Section 3, Right to Compensation for Regularly Scheduled Hours, will apply to instances
9 in which an employee reports to work at a closed facility, or are otherwise specifically notified by the County that
10 his or her facility is closed, and the employee is not reassigned.
11

12 9. **Educational Leave:** After completing one (1) year of service, an employee, upon request and approval
13 of management, may be granted a leave of absence without pay for educational purposes at an accredited
14 school when it is related to his or her employment. Such leave of absence shall not exceed one (1) year, but it
15 may be renewed or extended at the request of the employee, when necessary. One (1) year leaves of absence
16 with any requested extension for educational purposes may not be provided more than once in any three (3)
17 year period. Employees may also be granted leaves of absence with or without pay for educational purposes
18 and additional lengths of time to attend conferences, seminars, briefing sessions, or other functions of a similar
19 nature that are not intended to improve or upgrade the individual skill or professional ability, provided it does not
20 interfere with the operation of the County.

25 County Paid Time includes functions that are considered County /Federation joint functions such as negotiations

42

44 supervisor and to the County Labor Relations Manager. The Federation will make every effort to avoid
45 disruptions of work. The Federation shall reimburse the County for one hundred per cent (100%) of the affected
46 employee's salary and benefits (including pro-rata cost of workers' compensation premiums, but excluding
47 indirect or overhead charges) for straight time spent on Federation activities conducted during regularly
48 scheduled working hours. The County shall submit a quarterly statement to the Federation itemizing the amount

56 the department, be granted leave without pay for a reasonable period of time not to exceed three (3)
57 consecutive working days and not to exceed a total of ten (10) working days for the bargaining unit in any given
58 calendar year for purpose of conducting Federation business which takes them away from their employment.

17
18 Part-Time employees who Opt Out of medical benefit plan coverage will receive a
19 reimbursement paid by the County of one-hundred-twenty-five dollars (\$125) (gross) per month into the
20 employee's individual VEBA account.

21
22 d. Employees may also elect to decline dental plan coverage through the County.
23 However, there is no reimbursement associated with declining dental coverage and no proof of other dental
24 coverage is required. Employees will not be eligible to change this election until the County's official annual
25 open enrollment period unless the employee experiences an IRS-recognized family status change event that
26 would allow a mid-year health plan election change or qualifies for Special Enrollment under HIPPA.

27
28 G. **Successor Plans and Carriers.**

29
30 In the event that any of the current insurance plans become unavailable, the County agrees to
31 provide to affected employees a substitute plan for the same service delivery type, if available, at substantially
32 the same or better benefit levels. If a plan or carrier is discontinued and no substitute plan is available of the
33 same service delivery type, the employee will be offered the option to enroll in an alternative service delivery
34 plan.

35
36 If the County chooses to change from a plan or carrier which is still available, the County agrees
37 that the overall existing level of benefits for each such plan will not be reduced.

38
39 H. **Premium Reimbursement for Part-Time employees.**

40
41 a. **Reimbursement Eligibility**

42 Part-time employees may be eligible for premium reimbursement if they work the
43 minimum required number of hours for each of six (6) consecutive pay periods. The six (6) pay periods used for
44 calculation are considered a single qualifying block of time. The six (6) consecutive pay period block shall only
45 be applied to one reimbursement request. Changes to a submitted reimbursement request will be considered
46 only if a submitted payroll period is determined to be ineligible.

47
48 b. **Hours Required for Reimbursement**

49 1. For purposes of this calculation, Full-Time is defined as the total number of
50 regular hours in a pay period for an employee scheduled to work Monday through Friday, eight (8) hours per
51 day.

52
53 2. "Work" for purposes of this section is defined as regular hours worked, and any
54 paid time such as holidays, vacation or sick time. Overtime hours are not considered time worked for purposes
55 of reimbursement calculations.

56
57 3. Hours required for Full-Time reimbursements per pay period will be calculated
58 according to the chart below.
59

Per Pay Period	
Total Regular Hours	Minimum Qualifying Hours
Full-Time	Full-Time Reimbursements (Rounded to the closest 15 minute increment)
72	57.5
80	64
88	70.5
96	76.75

c. **Reimbursement Options**

1. Part-Time employees may be eligible for Full-Time reimbursements. To qualify, time worked in each pay period must meet the minimum qualifying hours for Full-Time reimbursements for all six (6) consecutive pay periods. Any such premium reimbursements made to the employee will be adjusted for appropriate taxes.

2. Employee who elect the Kaiser Maintenance Plan will not be eligible for medical plan premium reimbursements.

3. Employees who elect the Major Medical Plan will not be eligible for medical plan premium reimbursement.

4. Employees who elect to Opt-Out and/or decline dental plan enrollment will not be eligible for premium reimbursement.

5. Reimbursement payments will be made only upon written request submitted by the employee to the Employee Benefits Office within ninety (90) days of the last payroll period of Full-Time work.

1 M. **When Benefits Coverage Begins and Ends:**

2
3 1. **Coverage for new employees.**

4
5 a. **Medical and Dental Benefits.**

6
7 The employee and eligible dependents will be covered by medical and dental
8 benefits the first (1st) day of the month following hire, provided the employee has submitted completed
9 enrollment form and other required documents to the Employee Benefits office prior to that date. Employees
10 who submit an enrollment form after the first (1st) day of the month following hire, but within thirty-one (31) days
11 of hire, will be covered the first (1st) day of the month following date completed enrollment forms are received by
12 Employee Benefits Office. Employees who do not submit an enrollment form within thirty-one (31) days of hire
13 will be enrolled based on the default enrollment procedure. Coverage under the default plan(s) will begin on the
14 first (1st) day of the month following thirty-one (31) days of employment.

15
16 2. **Benefits coverage for terminating employees.**

17
18 a. **Retirees.**

19
20 1. **County-subsidized coverage**

21 Benefits options for retirees are provided for in Article 22, Section 2.

22 2. **Continuation of coverage through COBRA**

23 Retirees may continue to participate in County medical and dental
24 benefits plans on a self-pay basis as mandated by law.

25
26 b. **Other terminating employees.**

27
28 1. **County sponsored coverage.**

29
30 County sponsored medical and dental benefit plan coverage ends
31 based on the employees last regularly scheduled working day in pay status:

32

Last day in Paid Status	Coverage Ends
1st - 15th of month	End of the month
16th - 31st of month	End of the following month

33
34 **Example:** Employee A's last working day in paid status is July 15. Employee A's County sponsored health plan
35 coverage will end July 31. Employee B's last working day in paid status is July 16. Employee B's County
36 sponsored health plan coverage will end August 31. Employee B will have additional cost shares deducted from
37 final paychecks to cover the cost shares for August coverage.

38
39 2. **Continuation of coverage through COBRA**

40
41 Terminating employees may purchase continued coverage under
42 County medical and dental benefits plans on a self-pay basis as mandated by law.

43
44 3. **Employees on unpaid leaves of absence:**

45
46 a. **Leaves of less than thirty (30) days.**

47
48 Employees' benefits plan coverage will not be affected by unpaid leaves of
49 absence of less than thirty (30) days' duration. Unpaid cost shares will be recovered from employee when
50 employee returns to paid status.

51
52 b. **FMLA/OFLA Leaves:**

53
54 1. The County will contribute toward medical and dental benefit plan

1 coverage during unpaid approved FMLA leave as required by law. Unpaid cost shares will be recovered from
2 employee when employee returns to paid status.

3
4 2. If the employee remains on unpaid leave for more than thirty (30) days
5 after FMLA leave is exhausted, the leave will be treated as an unpaid leave of absence per "Subsection c.i."
6 below, except that the last day of FMLA leave will be deemed the employee's last day in pay status.

7 3. During unpaid OFLA leave only, the County will not contribute toward
8 medical or dental benefit plan coverage.

9
10 c. **Non-FMLA Unpaid Leaves:**

11
12 1. **Lapsing of County-subsidized coverage.**

13
14 Lapsing of County-subsidized coverage occurs after passage of thirty
15 (30) day leave period. Thirty-first (31st) day of leave with unpaid status triggers loss of health plan coverage. If
16 thirty-first (31st) day of unpaid non FMLA leave occurs:

17

31 st Day of Unpaid Non-FMLA Leave	Coverage Ends
1st - 15th of month	End of the month
16th - 31st of month	End of the following month

18
19 **Example:** Employee A goes on non-FMLA unpaid leave effective July 15. Leave period exceeds thirty (30)
20 days. Thirty-first (31st) day of unpaid leave is August 14. Employee A's County sponsored health plan coverage
21 will end August 31. Employee B goes on non-FMLA unpaid leave July 18. Unpaid Leave period exceeds thirty
22 (30) days. Thirty-first (31st) day of leave is August 17. Employee B's County sponsored health plan coverage
23 will end September 30.

24
25 2. **Continuation of Coverage through COBRA.** Employees may
26 continue to participate in County medical and dental benefits plans on a self-pay basis as mandated by law.

27
28 3. **Benefits Coverage upon Return From a Leave.**

29
30 (a) Employees returning from medical and dental benefit plans (or
31 successor plans) they had when they left County employment. If they return from leave the first (1st) day of the
32 month, coverage will be in effect upon their return from leave; otherwise, coverage will be in effect the first (1st)
33 day of the month following their return from leave.

34
35 (b) Employees returning from unpaid non-FMLA leave in the
36 following plan year may enroll in different plans within thirty-one (31) days of their return. Such employees must
37 complete a health plan enrollment form upon their return to work. If enrollment forms are received on the first
38 (1st) day of the month, the coverage will be effective that day; otherwise, coverage will be in effect the first (1st)
39 day of the month following receipt of the completed enrollment forms by the County Employee Benefits Office.

40
41 2. **Other Benefits:**

42
43 A. **Flexible Spending Accounts.**

44
45 1. **Medical expenses.** To the extent permitted by law, Medical Expense Reimbursement
46 Plan (MERP) accounts, which allow employees to pay for deductibles and un-reimbursed medical, dental, and
47 vision expenses with pre-tax wages, will be available according to the terms of the Multnomah County Medical
48 Expense Reimbursement Plan number 504.

49
50 2. **Dependent care expenses.** To the extent permitted by law, Dependent Care
51 Assistance Plan (DCAP) accounts, which allow employees to pay for dependent care with pre-tax wages, will be
52 available according to the terms of the Multnomah County Dependent Care Assistance Plan number 502.

1 B. **Life Insurance.** The County agrees to provide each employee covered by this Agreement with
2 term life in the amount of thirty thousand dollars (\$30,000) and accidental death and dismemberment insurance
3 in the amount of one hundred thousand (\$100,000). Any increases to the County provided coverage are subject
4 to the terms of the insurance contract.

5 Employees may purchase supplemental term life insurance coverage for themselves, their spouse or
6 their domestic partner consistent with carrier contract(s) by payroll deduction. Premiums will vary according to
7 age of the insured.

8
9 C. **Emergency Treatment.** Employees will be provided with emergency treatment for on-the-job
10 injuries, at no cost to the employees, and employees as a condition of receipt of emergency treatment, do agree
11 to hold the County harmless for injuries or damage sustained as a result thereof, if any. Employees further will
12 promptly sign an appropriate Workers' Compensation claim form when presented by the employer.

13
14 D. **Disability Insurance.** Disability insurance benefits are provided for under Article 8 (Sick
15 Leave), Section 6 of this Agreement.

16
17 3. **Retiree Life Insurance.** Retirees of Multnomah County who have at least ten (10) years of County
18 service will be provided with two thousand dollars (\$2000) term life insurance coverage by the County during the
19 period of the time they receive pension benefits.

20 **ARTICLE 11 – COMPENSATION**

21 22 23 1. **Wage Adjustments:**

24 25 26 A. **July 1, 2011**

27
28 Effective July 1, 2011, the rates and range of employees covered by this Agreement shall be
29 increased by zero percent (0.0%). As such, the current pay rates and range (see the wage schedule attached
30 to this Agreement as Addendum A—Wages and Addendum A, Table I--Wages) will remain in effect for this
31 period. However, employees covered by the CBA will be eligible for step increases during this period in
32 accordance with Article 11, Section 4.B (Step Increases).

33 34 B. **July 1, 2012**

35
36 Effective July 1, 2012, the rates and range of employees covered by this Agreement shall be
37 increased by three and three-tenths percent (3.3%) (See Addendum A). All other Articles and terms of the
38 Agreement shall continue without interruption for the term thereof.

39 40 C. **July 1, 2013**

41
42 Effective July 1, 2013, the rates and range of employees covered by this Agreement shall be
43 increased by an amount equal to the annual percentage increase in the Consumer Price Index for Urban Wage
44 Earners and Clerical Workers (Portland CPI-W 2nd Half, July-December 2011 to July-December 2012), with a
45 minimum increase of one percent (1.0%) and a maximum increase of four percent (4.0%). All other Articles and
46 terms of the Agreement shall continue without interruption for the term thereof.

47 48 D. **HRA-VEBA**

49
50 The County shall contribute one percent (1.0%) of each employee's hourly rate (defined as
51 1.0% of base and overtime wages) toward each employee's individual HRA-VEBA account. The conversion of
52 wages to benefits will reduce the employee's hourly wage by 1.0%. The conversion of 1% of wages to benefits
53 is applied to the compensation calculation of base wages and overtime for each payroll period. The result is
54 that the 1% will vary based upon the number of hours worked and any increases in compensation to the base
55 hourly wage, either as a step increase or subsequent COLA increase.

56
57 This HRA-VEBA contribution process will remain in place unless otherwise changed by the parties.

58
59 2. **Budget Shortfall Crisis:** Should the County's estimated fund resources in the executive budget which
60 directly affect funding of Parole and Probation services suffer a reduction, and such reduction would result in

1 loss of bargaining unit employees and County's ability to continue current level of services, either party may
2 provide the other with written notice to meet and discuss possible alternative options that would save bargaining
3 unit jobs and County level of services. Such meeting must occur within thirty (30) days of said declaration.
4 Alternative resolutions which are in conflict with terms and conditions of this collective bargaining agreement
5 shall be subject to mutual agreement of the County and the Federation. Parties agree that said discussions do
6 not constitute interim negotiations as outlined under ORS 243.698.
7

8 3. **Pay Periods:** The salaries and wages of employees shall be paid semi-monthly. Pay dates under the
9 semi-monthly system shall be the same as those for exempt county employees.
10

11 4. **Step Placement and Step Increase Dates:**

12 It is acknowledged by the parties that the County has historically given employees covered by this agreement a
13 step increase in wages, effective on the employee's anniversary date of employment. Each employee shall be
14 paid at one (1) of the steps in the range prescribed for his/her classification.
15

16 A. **New Employees and Rehires:**

17 1. A rehire is an employee who has terminated regular employment with the County, and
18 is subsequently selected to occupy a regular position from a civil service list. (Former employees who return to
19 regular County employment without being selected from a list are not rehired, but reinstated.)
20

21 2. Normally new employees and rehires will be appointed at step one (1) at the beginning
22 of the probationary period; the director may make an appointment to a higher step. An employee who is
23 promoted shall be paid at the salary step in the new salary range not less than a one (1) step increase, or in the
24 first step of the new range, whichever is greater. A new or promoted employee is eligible for consideration for
25 advancement to the next step of his/her salary range on the day following twelve (12) months of service in
26 his/her classification, and to subsequent steps at subsequent anniversary dates (24, 36, 48, 60, 72, AND 84
27 months) to the top step of the pay range.
28

29 3. The step increase date for wage increases for new employees will be the date of
30 regular appointment, and the date for rehires will be the most recent date of regular appointment. However, the
31 step increase date for new employees and rehires will be adjusted to reflect any additional seniority credit, such
32 as credit for temporary service in the classification, which they receive under the provisions of Article 13 –
33 Seniority and Layoff.
34

35 B. **Step Increases:** An employee not at the maximum of his/her pay range shall receive a step
36 increase upon the completion of one year of service at the current rate. Time in service is measured in
37 accordance with Article 13. (Note that part-time work will count on a full-time basis.)
38

39 C. **Failure to Complete Probationary Period after Promotion:** When a regular employee is
40 promoted outside the bargaining unit and does not complete the probationary period for that classification, he or
41 she shall be reinstated to a position in the classification from which he or she was promoted. Reference to
42 probationary period in this section applies to any bargaining unit or non-bargaining unit probationary period in
43 Multnomah County. Employees who do not complete the promotional probationary period and return within the
44 probationary period to their previous position shall treat such time in the higher class as seniority accrual in the
45 lower class. The employee will be placed at the same step in the old range that he or she would have been on
46 but for the promotion. The step increase date for wage increases will revert to the step increase date in effect
47 prior to the promotion.
48

49 5. **Reporting to Work Outside of Regularly Scheduled Hours:**

50 A. **Reporting After Hours/Scheduled Day Off:** Any employee who returns to work at the
51 direction of management outside his or her regularly scheduled working hours or on a scheduled day off, shall
52 have a minimum of four (4) hours added to their time worked for purposes of determining overtime.
53

54 B. **Receiving Work Telephone Calls After Hours:** Employees receiving after hours work calls
55 may respond. Any employee who is called after work hours to respond to an emergency call that requires the
56 employee to make a custody decision, and where the employee is not required to report to a work site, shall
57 have one (1) hour added to their total time worked for purposes of determining overtime in accordance with
58
59
60

1 Section 6 below. Multiple calls less than twenty (20) minutes between the end of the 1st and beginning of the 2nd
2 (or more) calls will be considered one (1) call. Prior management approval is required to conduct case
3 management after work hours and while off duty. This type of call will be compensated minute for minute with a
4 minimum of fifteen (15) minutes per call. Multiple calls less than twenty (20) minutes between the end of the 1st
5 and the beginning of the 2nd (or more) will be considered one call. This provision does not apply to telephone
6 calls regarding work scheduling and/or worksite directions which will be compensated minute for minute in
7 accordance with Section 6 below.

8
9 **6. Overtime:**

10
11 A. Employees covered by this Agreement will be compensated for overtime based on hours
12 worked in excess of a tour of duty as provided under Section 7(K) of the Fair Labor Standards Act (FLSA). A
13 tour of duty for purposes of this provision shall consist of eighty-four (84) hours worked in a fourteen (14)
14 consecutive-day work period, or such other tour of duty as may be established by the County within the options
15 provided under Section 7(K). The time worked over eighty (80) but less than eighty-four (84) hours in an
16 employee's tour of duty shall be taken hour for hour as flex-time off to be scheduled by mutual agreement
17 between the employee and supervisor during the tour of duty. Flex-time not taken during the tour of duty will be
18 paid for at straight time as of the applicable pay date. Overtime for time worked in excess of an employee's tour
19 of duty will be calculated at the rate of time and one-half and will be taken or paid for as determined under
20 section B.

21
22 B. Except in emergency situations, all work performed in excess of the specified tour of duty must
23 be authorized in advance by the supervisor. Emergency overtime work must be reported to the supervisor within
24 two (2) of the employee's work days of its occurrence. An employee who works overtime in excess of his/her
25 tour of duty shall be granted compensatory time off in lieu of overtime pay, at the employee's option and with
26 supervisory approval. Compensatory time shall be taken as scheduling permits and with the approval of the
27 supervisor. Nothing in this article will be construed to modify the basic workweek schedule, an employee's
28 obligation to account for his/her time, or the role of the supervisor in approving work outside an employee's
29 basic daily or weekly work schedule.

30
31 1. The maximum allowable accumulation of compensatory time off shall be eighty
32 (80) hours.

33
34 2. In the event the employee terminates for any reason, accrued compensatory
35 time shall be paid off in cash to the employee or his or her heirs.

36
37 **7. Temporary Work in a Higher Classification:**

38
39 A. **Work Out of Class**

40
41 1. **Definition:** An employee works out of class when he or she is assigned in writing by a
42 supervisor to assume the major distinguishing duties of a position in a higher classification and/or to replace
43 another employee in a higher classification, and to perform a majority of the principal duties of that classification.

44
45 2. **Compensation for work out of class:** An employee working out of class will be
46 compensated according to the Personnel Rules governing promotions to non-bargaining unit positions. Note
47 that if the employee's pay range and the higher range overlap, the policy generally provides for an increase of
48 approximately five percent (5%).

49
50 3. **Paid leave and work out of class:**

51
52 a. When an employee works in a higher classification during all hours worked in
53 an FLSA work period or longer period of time, the employee will be paid the out of class rate for all hours in pay

53 held that results in the least reduction in pay; if the reduction in pay is equal, employees will be demoted to the
54 position that affords the greatest seniority.

55
56 5. Full time employees will be reassigned only to full time positions and part time
57 employees will be reassigned only to part time positions, unless reassignment to the other status is the only

16 Federation will be provided a copy of the notice.

17
18 B. Employees who are laid off, demoted, or reassigned to a lateral classification and/or reassigned
19 between full-time and part-time status will be placed on the recall lists, according to seniority. Employees will be

22 classification, for part-time appointment in the higher classification, and for full-time appointment in the higher
23 classification):

26 the employee at the beginning of the layoff process.

50 3. Upon acceptance of permanent recall from the list; or

51 4. Upon declining an offer of permanent recall; or

52 5. Upon the employee's failure to respond to a certified letter sent to the employee's last
53 known address within fourteen (14) days of mailing; or

54 6. Disciplinary termination for cause.
55
56
57
58
59
60

1
2 E. Employees who are laid off and are on recall list(s) and return to permanent County
3 employment for any reason will be treated as if they have been on a leave of absence without pay for the
4 purpose of computing seniority.
5

25 unresolved, the Federation may file a formal written grievance at Step 3 of the grievance procedure within thirty
26 (30) days of his or her initial consultation with Central Human Resources. If no grievance is filed within that time,
27 the seniority calculation is deemed correct. A grievance may be filed only with respect to seniority accrued since

43 than three (3) years may not bump an existing bargaining member into layoff status. A prior member with over
44 three (3) years out of the unit may, upon satisfying Subsection A and B above, only fill a vacant position.
45 Employees returning to the bargaining unit within three (3) years will be treated as if they have been on a leave
46 of absence without pay for the purpose of computing seniority.
47

48 9. **Special Provisions to Save Employees From Layoff:** It is recognized by the parties that employees
49 who are to be laid off or involuntarily demoted because of their seniority within a classification within a
50 department face difficult circumstances in being placed in alternative employment within the County. Any such
51 employee who is placed in a classification not previously held shall be subject to a trial service period of ninety
52 (90) days to demonstrate his or her ability to perform or fulfill the requirements of the new classification.
53 Employees who, in the opinion of the County, are unsuccessful during this ninety (90) day trial service period
54 will be removed from their new classification and placed on the appropriate recall list.
55

56 Such employees shall continue to be eligible for placement under the provisions of this section as long as
57 management is exploring alternative employment opportunities for affected employees.

ARTICLE 14 - HOURS OF WORK

1
2
3 1. **Scheduling:** The parties agree that employees in the bargaining unit may work irregular hours in the
4 performance of their duties. The official workweek for scheduling purposes shall consist of a seven (7)-day
5 period, beginning at 12:01 a.m. each Saturday. The normal workweek for Full-Time employees is forty (40)
6 hours, falling within the seven (7)-day period.
7

8 Generally, employees working less than forty (40) hours per week will be scheduled to work no more than five
9 (5) days a week, and at least two (2) of their days off must be consecutive.
10

11 Consistent with the best interest of providing adequate and effective service and operating requirements, as
12 determined by the County:
13

14 A. Each Parole and Probation Officer, upon request and approval of their supervisors, shall
15 establish a work schedule that is responsive to the demands of their job. All hours worked shall be at the flat
16 rate, on an hour for hour basis, regardless of the starting time, day worked, or length of the work day, except as
17 indicated in "Article 11, Section 5." Split work weeks, varied starting and ending time for shifts, and split shifts
18 shall be permitted.
19

21

22 2. **Posting of Work Schedules:** Work schedules showing work days and hours of work will be posted on
23 bulletin boards or otherwise made accessible to employees at all times. Management may change work
24 schedules with ten (10) days' written notice to affected employees, and with less notice in the following
25 circumstances:
26

27 A. Such notice is voluntarily waived in writing by the employee(s)

33 scheduled and is excused from duty for lack of work, or is specifically directed by his or her supervisor or
34 manager not to report to work, will be paid at his or her regular rate for the hours he or she was scheduled to
35 work.
36

37 4. **Changing Scheduled Days of Work and Days Off:**
38

39 A. **Voluntary Changes:** Changes of work days and days off will be considered voluntary if they
40 occur at the employee's request or as a result of shift bidding.
41

42 B. **Involuntary Changes:** Changes of work days and days off will be considered involuntary if
43 they occur at the discretion or direction of management. Management will make every reasonable attempt to
44 ensure that employees are able to work sufficient hours in the pay period in which the change occurs so that
45 employees receive a regular paycheck.
46

47 5. **Scheduling the Work Day:**
48

49 A. **Normal Work Day:**
50

51 1. **Employees working forty (40) hours a week:**
52

53 a. Employees working forty (40) hours per week on a schedule agreed upon
54 between the employee and supervisor as provided in Section 1.A above shall receive breaks and meal periods
55 described in this section. Employees on a continuous duty schedule per "Section C.3" below shall work
56 consecutive hours per day including the meal period.
57

58 2. **Employees working less than forty (40) hours a week:** Employees working less
59 than forty hours a week will be scheduled to work four (4) or more consecutive hours a day. Any meal periods to

1 which the employee is entitled will be on unpaid time, unless the employee is on a continuous duty schedule per
2 "Section C.3" below.

3
4 B. **Breaks:** Breaks provided for in this section will be on paid time.

5
6 1. **During the normal work day**

7
8 a. **Employees working six (6) or more hours a day:** Employees scheduled to
9 work six (6) or more hours a day are entitled to a fifteen (15) minute break during the first (1st) half of the work
10 day, and another during the second (2nd) half, provided that the break in the second (2nd) half of the work day is
11 required only if the employee is scheduled to work more than two (2) hours after the previous break or meal
12 period. Breaks for employees scheduled to work eight (8) or ten (10) hours in a day will be scheduled at the
13 middle of each half of the work day whenever practicable.

14
15 b. **Employees working fewer than six (6) hours a day:** Employees scheduled to
16 work fewer than six (6) hours a day are entitled to one (1) fifteen (15)-minute break to be scheduled by
17 management.

18
19 2. **While on a continuous duty schedule** Breaks for employees on a continuous duty
20 schedule are covered in "Section C.3" below.

21
22 C. **Meal Periods:**

23
24 1. **Entitlement to a meal period:** The work schedules of employees working more than
25 six (6) hours in a work day will include a meal period. An employee who has worked eight (8) or more hours in a
26 work day and who works two (2) hours beyond his or her regular quitting time is entitled to a second (2nd) meal
27 period.

29 2. **Unpaid meal periods:** Meal periods are on unpaid time unless the provisions of
30 Subsection 3 below apply.

31
32 a. **Length of the meal period:** Employees will be scheduled for a thirty (30)-
33 minute meal period unless they request and management approves a one (1)-hour meal period. Management
34 may rescind approval for a one (1)-hour meal period, subject to the provisions for changing work schedules in
35 "Section 1" above.

36
37 b. **Scheduling:** The meal period for employees working eight (8) or more hours
38 will be scheduled in the middle of the work day whenever practicable. When a one (1)-hour meal period is
39 requested and approved, management will make adjustments to the employee's starting and/or quitting time,
40 subject to the provisions for changing work schedules in "Section 1" above.

41
42 3. **Paid meal periods: continuous duty schedules:** Management may assign
43 employees performing duties which do not lend themselves to duty free breaks and meal periods to a
44 continuous duty schedule. Any such assignment shall be in writing with a copy provided to the Federation and
45 the Labor Relations Manager. Meal periods for such employees will be on paid time. The scheduling of meal
46 periods and breaks for continuous duty employees will be based solely on management judgment of the need
47 for supervision of clients or involvement in other continuous duty, or may be on an "as time is available" basis.
48 Continuous duty employees may not be relieved of duty during their work day, and may have to take their meals
49 and their breaks while supervising clients or attending to other duties. Any meal periods or breaks may be
50 interrupted or missed without additional compensation.

51
52 Employees who are designated as Officer of the Day may be deemed to be on a continuous duty schedule for
53 that day. If the Officer of the Day is unable to schedule a duty-free lunch period, they may, with supervisory
54 approval, flex that time within the tour of duty period. This is not subject to the notice requirements addressed
55 above.

56
57 D. **Clean-Up Time:** Employees, upon leaving work, shall be granted not more than a fifteen (15)
58 minute personal clean-up time prior to the end of each shift. The County shall provide the required facilities for
59 the employee's clean-up time. Neither party to this Agreement shall construe "clean-up time" to mean "quit-early
60 time" or "leave-early time".

1
2 E. **Job Sharing:** Employees may request to job share a position. Approval of job sharing is at the
3 discretion of management. Each employee in the job share position must sign a job share agreement outlining
4 the terms of the job share and be on a regular schedule of forty (40) hours during each two (2) week period.
5

6 **6. Uniform Time Charging Provisions:**
7

8 A. **Rounding Rule:** Time charged for all leaves and compensation for time worked under the
9 terms of this Agreement shall be subject to rounding to the nearest quarter (1/4) of an hour in accordance with
10 the following rules: 0 - 7 minutes rounds to 0 hours. 8 - 15 minutes rounds to a quarter (1/4) hour.
11

12 B. **Applications:**
13

14 1. **Lateness:** Employees who are less than eight (8) minutes late are not required to
15 make up the missed minutes and shall be paid for a full shift without charge to a leave account. Employees who
16 are more than eight (8) minutes late may be charged paid leave for time late or may be allowed to flex time at
17 the manager's discretion. Being late to work may subject the employee to discipline up to and including
18 dismissal.
19

20 2. **Working over:** An employee who works over less than eight (8) minutes shall not be
21 compensated. An employee who works eight (8) to fifteen (15) minutes or more over and contiguous to their
22 regularly scheduled work day shall be compensated in one quarter (1/4) of an hour increments at the
23 appropriate rate of pay in accordance with Article 11.
24

25 3. **Leaves:** Late and early return from leaves shall be subject to the same rounding
26 practice as specified above.
27

28 4. **Work day:** The above provisions shall not be construed as a right for management to
29 extend the end of the working day beyond the normally scheduled ending time.
30
31

32 **ARTICLE 15 - DISCIPLINE AND DISCHARGE**
33

34 1. **General Principles:** Disciplinary action will only be imposed for just cause. Progressive disciplinary
35 action shall be employed, provided that the severity of the offenses may warrant the imposition of disciplinary
36 action at any stage of progressive discipline, including termination. Disciplinary action shall be subject to the
37 grievance process, except as noted below, upon the filing of a written grievance at Step 1 within ten (10) days of
38 such action.
39

40 2. **Corrective Action:** Coaching and counseling are used for behavior or performance modification, are
41 not considered disciplinary in nature and are not subject to the grievance procedure.
42

43 3. **Disciplinary Action:** Disciplinary action shall include only the following:
44

45 A. **Oral Reprimands:** An oral reprimand which is intended to serve as a warning that if behavior
46 or performance is not modified more severe discipline may result, and the employee is so notified, shall be
47 considered disciplinary in nature, may be the basis for further disciplinary action and may be subject to the
48 grievance procedure at Step 1 only.
49

50 B. **Written Reprimands:** A written reprimand shall be made a part of an employee's personnel file
51 for all purposes. No written reprimands will be placed into the employee's personnel file unless the employee
52 has signed the document acknowledging receipt. If an employee refuses to sign and acknowledge receipt of the
53 document, the supervisor shall note that on the document prior to submitting it to the employee's personnel file.
54 In this case, a notice shall also be sent to the Federation.
55

56 Written reprimands are subject to the grievance procedure up to Step 2. In the absence of filing a grievance,
57 employees may attach written responses to written reprimands by submitting such response within five (5) days.
58

59 C. **Suspension Without Pay:** Suspension is a commonly used form of discipline when oral and
60 written warnings have not achieved the desired results; however, it may be used sooner, when, in the

1 Employer's judgment, the employee's misconduct is of such severity progressive discipline is not warranted.
2 Suspension without pay shall not exceed fifteen (15) days unless the result of a grievance settlement, an
3 agreement with the Federation, or an arbitrator's award.
4

5 D. **Demotion/Reduction in Pay:** Demotion to a lower classification, or a reduction in pay, at the
6 Employer's option, may be used as a form of discipline when other corrective measures have been used and/or
7 the County believes the severity of the issue is such that progressive discipline is not warranted or does not
8 warrant discharge. Demotion to a lower classification and reduction in pay are optional forms of discipline to be
9 imposed primarily in performance related disciplinary action.

10
11 E. **Dismissal:** The parties jointly recognize that the professional truthfulness, honesty, and
12 integrity of Parole and Probation Officers are essential to effective performance. Consequently, the County may
13 dismiss Parole and Probation Officers, for just cause which includes but is not limited to, in general, misconduct,
14 inefficiency, incompetence, insubordination, or failing to fulfill responsibilities as an employee, and specifically,
15 for stealing, untruthfulness in the line of duty, willful falsification of forms or other official documents, willful
16 omission of material fact, personal possession or use of an illegal controlled substance, and legal convictions
17 which would interfere with an employee's ability to perform as a Probation and Parole Officer
18

19 4. **Disciplinary Notice:** When the department determines that disciplinary action is appropriate, the
20 employee shall be given written notice thereof with a copy to the Federation. The notice shall include:
21

22 A. A statement of conduct in question, inadequate performance or other cause for discipline, and
23

24 B. A statement of the disciplinary action to be taken.
25

26 5. **Pre-Discipline Notice:** When the department believes just cause for suspension, demotion or
27 dismissal exists, the department shall give the affected employee and the Federation written notice containing:
28

29 A. A statement of alleged improper conduct, inadequate performance, or other cause for discipline;
30 and
31

32 B. A statement that suspension, demotion or dismissal is being considered as a possible sanction
33 to the stated alleged improper conduct, inadequate performance, or other cause; and
34

35 C. A statement of the time [a minimum of five (5) scheduled workdays] within which the employee
36 may choose to respond to the statement of cause and the statement of discipline under consideration.
37

38 6. **Administration of Discipline:** Discipline shall be administered in a manner which will not unduly
39 embarrass the employee, consistent with the circumstances involved.
40

41 7. **Personnel Records and Information:** An employee or his or her representative, with the written
42 consent of the employee, may inspect that employee's personnel file, or any other file maintained by the County.
43 Upon written request, an employee or his or her authorized representative will be given a copy of all materials in
44 the employee's personnel file.
45

46 8. **Removal of File Materials:** Employees may request and have removed from his or her personnel file
47 any letter of reprimand which is more than two (2) years old. Oral reprimands will not be memorialized in writing
48 and will not be placed into an employee's file. A single letter of discipline more severe than a letter of reprimand
49 which is more than five (5) years old will be removed from an employee's personnel file upon his or her request.
50 If there is more than one (1) letter imposing discipline which is more severe than a letter of reprimand, none of
51 the letter may be removed until the most recent letter is more than five (5) years old. At that time, it and all
52 previous discipline letters will be removed from the employees file upon request.
53

54 9. **Investigatory Procedures:**
55

56 When an employee is under investigation by the County and subjected to an interview concerning an
57 act which, if proven, could reasonably lead to a loss of pay or dismissal, the employee shall be afforded the
58 following safeguards:
59

1 A. The employee and the Federation will be informed that a formal investigation is commencing,
2 unless the employee is under investigation for violation of the Controlled Substance Act, or violations which are
3 punishable as felonies or misdemeanors under law, or if doing so would jeopardize either the criminal or
4 administrative investigation.

5
6 B. Any interview of an employee shall occur when the employee is on duty, unless the County
7 reasonably believes that the seriousness of the investigation dictates otherwise. If such interview does occur
8 during the employee's off-duty time, the employee shall be compensated for such off-duty time in accordance
9 with the provisions of this Agreement.

10
11 C. All interviews shall take place at Department facilities, or elsewhere if mutually agreed, unless an
12 emergency exists which requires the interview to be conducted elsewhere.

13
14 D. Unless release of such information would otherwise compromise the investigation, the employee
15 under investigation shall be informed, in writing, at least forty-eight (48) hours prior to the commencement of the
16 interview that he/she has a right to have Federation representation during the interview, the names of the
17 interviewer and all other persons to be present during the interview, and the specific allegations which form the
18 basis for the investigation and provided information necessary to reasonably apprise him/her of the facts upon
19 which the allegations are based. If the employee opts for Federation representation, the Federation
20 representative shall not be a subject of the same investigation as the employee being interviewed.

21
22 E. The employee's right to have a Federation representative present at the interview shall not
23 unreasonably delay the conducting of the interview.

24
25 F. Interviews shall be limited in scope to activities, circumstances, events, conduct or acts which
26 pertain to the incident or incidents which are the subject of the investigation. Nothing in this section shall
27 prohibit the County from questioning the employee about information which is developed in the course of the
28 interview.

29
30 G. No promise or reward shall be made as an inducement to answering any question. The employee
31 may not be subject to intimidation or abusive language in the course of the interview.

32
33 H. The interview session shall be for a reasonable period taking into consideration the gravity and
34 complexity of the issue being investigated. The employee shall be entitled to such reasonable intermissions as
35 may be required for personal necessities.

36
37 I. The County may record, either by tape or digitally, the interview. A copy of the complete interview
38 shall be furnished by the County to the employee and/or the Federation upon request. If the County elects to
39 have a stenographic record made of the interview, a copy will be provided to the employee and/or the
40 Federation upon request. The County's recording shall be considered the official record of the interview. The
41 Federation may also record the interview. _

42
43 J. Nothing in this section shall preclude the County from ordering an employee to cooperate with
44 other agencies involved in criminal investigations. If the employee fails to comply with such directive, he/she
45 may be subject to discipline.

46
47 K. Investigations shall be completed without unreasonable delay, in view of circumstances confronted
48 in the investigation.

49 **ARTICLE 16 - SETTLEMENT OF DISPUTES**

50
51
52 1. **Scope of Grievance Procedure:** A grievance shall be defined as, a dispute in the meaning,
53 application or interpretation of this Agreement and shall be settled in the following manner.

54
55 Once a grievance, as defined herein, is filed under Section 2A of this Article, the Federation shall have exclusive
56 jurisdiction with respect to the processing of such grievance. A decision in good faith by the Federation not to
57 proceed to the next step in the grievance procedure or to arbitration shall be final and binding on all parties,
58 including the grievant. If the County files a grievance, it shall be filed in accordance with the County grievance
59 procedure outlined in Section 4 of this Article.

1 Employees shall be assured freedom from reprisal for use of the grievance procedure.

2
3 A chief steward will be assigned by the Federation. The chief steward will assign stewards to specific work
4 areas. A steward may not process a grievance in any other work area than the one to which he or she is
5 assigned unless approved to do so by the Federation chief steward. The names of the stewards and other
6 Federation representatives who may represent employees will be provided in writing to the County by the
7 Federation.
8

9 Employees meeting with stewards to process a grievance and stewards conducting investigatory interviews will
10 be permitted to do so without loss of pay during working hours. All efforts will be made to avoid disruptions and
11 interruptions of work.
12

13 2. **Grievance Procedure:** Should an employee believe that his/her rights under a specific provision of this
14 Agreement have been violated, the matter shall be reported by the employee to his/her supervisor, within ten
15 (10) working days of the date the employee knew or reasonably should have known of the occurrence giving
16 rise to the grievance. If the grievance is against the employee's direct supervisor, the employee may elect to file
17 the grievance with the District Manager. The parties will attempt to resolve complaints informally prior to filing a
18 formal grievance.
19

20 A. **Step 1.** If not resolved informally on this basis between the employee and supervisor, the
21 employee, together with his/her Federation representative, shall within ten (10) working days of the date of the
22 informal meeting, submit the matter, in writing, to the employee's immediate supervisor and to the Personnel
23 Division. The written grievance shall include:
24

- 25 1. The name and position of the employee.
- 26 2. The date of the circumstances giving rise to the grievance.
- 27 3. A clear and concise statement of the grievance including the relevant facts necessary to
28 reach a full and objective understanding of the employee's position.
- 29 4. The specific provision or provisions of this Agreement alleged to have been violated.
- 30 5. The remedy or relief sought by the employee.
- 31 6. Name of the employee or the FOPPO representative submitting the grievance.

32
33
34
35
36
37 Within ten (10) working days after receipt of such report, the immediate supervisor shall attempt to resolve the
38 matter and submit his/her answer in writing, to the employee and his/her Federation representative.
39
40

41 B. **Step 2.** If the grievance has not been settled, it may be presented in writing by the Federation
42 representative to the department head within ten (10) working days after the supervisor's response is due. The
43 department head or his/her designee shall respond to the Federation representative in writing within ten (10)
44 working days.
45

46 C. **Step 3.** If the grievance has not been settled, it may be presented in writing by the Federation
47 representative to Labor Relations within ten (10) working days from the date of such response.
48

49 D. **Step 4.** If the grievance still remains unresolved, the Federation may submit the matter in
50 writing to binding arbitration but must do so within ten (10) working days following receipt of Labor Relations'
51 response.
52

53 3. **Arbitration:** Within ten (10) working days after notice has been given, the Federation shall request the
54 State Employment Relations Board to provide a panel of nine (9) Oregon/**Washington** arbitrators. A flip of the
55 coin shall determine which party shall strike first. The parties shall each alternately strike two (2) names. The
56 remaining name on the list shall be the arbitrator. The power of the arbitrator shall be limited to interpreting this
57 Agreement and determining if the specific alleged violation occurred and to resolve the grievance within the
58 terms of this Agreement.
59

1 The decision of the arbitrator shall be binding on both parties; however, s/he shall have no power to alter,
2 modify, amend, add to or detract from the terms of this Agreement. The arbitrator's decision shall be within the
3 scope and terms of the agreement and in writing. Any decision of the arbitrator may provide retroactivity not
4 exceeding sixty (60) days prior to the date the grievance was first filed, and it shall state the effective date of the
5 award.
6

7 The arbitrator's fee and expenses shall be paid by the losing party. Each party shall be responsible for
8 compensating its own representatives and witnesses. If, in the opinion of the arbitrator, neither party can be
9 considered the losing party, then such expenses shall be apportioned as, in the arbitrator's judgment is
10 equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which
11 payment is to be made.
12

13 If the arbitrator is faced with a question of arbitrability at the arbitration hearing, then the arbitrator shall be
14 obligated to first hear arguments and evidence and decide that question. If the arbitrator affirmatively decides
15 the question of arbitrability in favor of arbitration, then the arbitrator may hear arguments and evidence on the
16 merits of the grievance. If requested by either the Federation or the County, the hearings for a question of
17 arbitrability shall be held separately from any hearing on the merits of the grievance. The decision(s) of the
18 arbitrator shall be binding on both parties to this Agreement.
19

20 Upon mutual agreement, in writing by the Federation and the County at the conclusion of the evidentiary portion
21 of the arbitration, the parties may agree to oral closing arguments in lieu of written closing briefs.
22

23 If the parties mutually agree to oral closing arguments, the parties may also mutually agree in writing to have the
24 arbitrator issue an oral bench decision. The oral bench decision shall be recorded and transcribed by the
25 parties as the formal record of the arbitration. The arbitrator shall issue the oral bench decision within two (2)
26 hours of the conclusion of the arbitration hearing unless extended by mutual agreement of the parties.
27

28 **4. County Grievances:** When the County has a grievance, it shall be deemed the moving party and
29 shall present its grievance in writing to the Federation. The parties will each then promptly appoint two (2)
30 persons to serve as a Board of Adjustment to consider the grievance of the County and resolve the dispute. If
31 the Board of Adjustment is unable to resolve the dispute within fifteen (15) working days of the notification to the
32 Federation, then the County may request arbitration under Section 3 of this Article by written notice to the
33 Federation. A County grievance may be terminated at any time upon receipt of a signed statement from the
34 County that the matter has been resolved.
35

36
37 **5. Time limits:** Failure on the part of the respondent to reply in accordance with the time limits specified in
38 this Article shall allow the moving party, if it so chooses, to move the grievance to the next step of the grievance
39 procedure. Failure on the part of the moving party to process grievances within the time limits at any step in
40 accordance with the provisions of this Article shall constitute a waiver of the grievance. The time limits and
41 procedures specified in this Article may be extended or waived by written mutual agreement of the parties. An
42 employee or Federation grievance may be terminated at any time upon receipt of a signed statement from the
43 Federation that the matter has been resolved.
44

45 **6. Unfair Labor Practices:** If the County or the Federation intends to file an unfair labor practice charge
46 against the other party, it shall give that party advance written notice of such intent and a reasonable opportunity
47 to meet to discuss the basis of such charge and possible resolution prior to filing the charge, unless the delay
48 needed for such a discussion would cause prejudice to the claim; in the latter event, the notice and meeting is
49 not excused, but may occur after the filing of the charge.
50

51 **ARTICLE 17 - WORKLOAD / TRAINING / PERFORMANCE EVALUATION**

52

53 **1. Workloads and Standards:** It is the County's right to establish the workload for employees. In
54 addressing the assigned workload, the employee's supervisor may establish reasonable job performance
55 standards. Such standards shall be posted, or individually stated, to each affected employee, in order to assure
56 advance comprehension and understanding of performance requirements. No employee shall be subject to
57 disciplinary action for failure to meet standards of performance unless such employee has been fully advised of
58 such expected performance standards, in advance of the work period in question.
59

1 2. **Employee Development and Training:** Any time an employee is specifically required by management
2 to participate in any development and training it shall be considered time worked for pay purposes, and all
3 tuition, texts, training materials, and other expenses incident to such employee's participation shall be assumed
4 by the county. The County may subsidize an employee's participation in non-mandatory training or education
5 based on relevance to the employee's job. The subsidy may be made in the form of a partial or total
6 reimbursement for expenses and/or time off with pay for part or all of the time required to attend.
7

8 3. **Performance Evaluation:** The County may implement and maintain a performance evaluation process
9 involving members of the bargaining unit. Employees shall have the right to attach a response to any
10 evaluations prior to being placed in their personnel files. No evaluations will be placed in an employee's
11 personnel file unless that employee has reviewed and signed the evaluation acknowledging the receipt of a
12 copy of the evaluation. No evaluations or employee responses will be admissible in any disciplinary or
13 arbitration hearing. All performance evaluations shall be signed by the employee's supervisor, who shall bear
14 ultimate responsibility for the content of the evaluation.
15

16 **ARTICLE 18 - GENERAL PROVISIONS**

17 1. **No Discrimination**

18 A. **Contractually Prohibited Discrimination**

19 1. The provisions of this Agreement shall be applied equally to all employees in the
20 bargaining unit without discrimination as to age, marital status, race, color, sex, creed, religion, national origin,
21 sexual orientation, political affiliation, gender identity, source of income or family status. It is further agreed that
22 there will be no discrimination against a person with a disability unless bona fide job related reasons exist as
23 provided by the Americans with Disabilities Act and rules promulgated under its terms.
24

25 2. The Federation shall share equally with the County the responsibility for applying the
26 provisions of the Agreement; provided that this responsibility shall be limited to those matters under the
27 Federation's influence or control, including but not limited to the behavior of shop stewards and the contents of
28 Federation bulletin boards.
29

30 B. **Legally Prohibited Discrimination and County Complaint Procedure** The County will
31 maintain a complaint procedure for allegations of discrimination in violation of law.
32

33 2. **No Prejudicial Harassment**

34 A. **Prejudicial Acts Prohibited:** The County and the Federation shall not condone and/or tolerate
35 prejudicial remarks, actions, slurs, and jokes directed at, or expressed that are offensive to persons with
36 disabilities, or are based on race, religious preferences, sexual orientation, gender identity, national origin,
37 familial status or source of income.
38

39 B. **Sexual Harassment Prohibited:** No employee(s) shall be subjected to un-welcomed sexual
40 advances, requests for sexual favors, or any form of verbal or physical conduct of a sexual nature that is
41 offensive, hostile or intimidating that interferes with the work performance of such employee(s).
42

43 3. **Federation Member Rights:** The County agrees not to interfere with the rights of employees to
44 become members of the Federation, and there shall be no discrimination, interference, restraint, or coercion by
45 the County, or any County representative, against any employee because of Federation membership or
46 because of any employee activity in an official capacity on behalf of the Federation, or for any other cause.
47 Nothing in this section shall be construed to limit the county's right to effectively and efficiently run the County's
48 operations.
49

50 A. **Access to Workers:** Authorized representatives of the Federation may visit the work locations
51 of employees covered by this Agreement at reasonable times, provided such visitations do not interfere with the
52 work of the employees.
53

54 B. **Federation Negotiators:** Employees selected by the Federation to act as Federation
55 representatives for the purpose of negotiating amendments or modifications to this Agreement shall be known
56 as the Federation of Oregon Parole and Probation Officers Negotiating Committee. The names of employees so
57

1 designated shall be certified in writing to the County by the Federation. All negotiation meetings with the County
2 shall be held during working hours and without loss of pay for a maximum of five (5) Parole and Probation
3 Officers.
4

5 C. **Federation Business:** Elected officers and negotiators will be allowed a reasonable amount of
6 work hours to handle labor relations matters. This will include that time necessary to attend Labor-Management
7 meetings when scheduled by mutual agreement.
8

9 D. **Communication with Members:**

10 1. **Bulletin Boards:** The County agrees to provide suitable bulletin boards and allow
11 convenient places within each work area for purposes of communication with Federation members. The
12 Federation shall limit its postings of notices and bulletins to such boards. All postings by the Federation shall be
13 dated by the Federation posting member.
14

15 2. **Electronic Mail and Internet Connections:** County computers may be used for
16 Federation business involving E-Mail or Internet connections when such use is de minimis and incidental, such
17 as arranging a meeting with a fellow shop steward or Council representative. Computer use may be further used
18 for the purpose of conducting an investigation of a grievance, interacting with the County's Representatives
19 concerning Federation-County Business, on the employee's own time, and to link to a Federation Internet site.
20 The uses outlined may continue only to the extent that they are at no additional cost to the County, and are
21 contingent on the continued use of the cited computers, Internet connection, intranet connection for other
22 County purposes. The content of any and all communications using the County computer system is not
23 privileged and may be subject to County review.
24

25 3. **New Employee Orientation:** The President or designee shall be provided one (1)
26 hour, without loss of pay, to meet with the newly hired employee, during the new employee orientation to
27 discuss the Federation and this Agreement.
28

29 4. **Rules:**

30 County personnel rules affecting Federation members will be submitted to the Federation for review 30
31 days prior to their adoption. The personnel rules shall be subject to discussion with the Federation before
32 becoming effective. Changes made in mandatory subjects addressed in the rules shall be made in accordance
33 with the Public Employees Collective Bargaining Act (PECBA). The County agrees to make available to each
34 employee in the bargaining unit a copy of all existing work rules and to provide a copy of new rules before their
35 effective date, when possible. New employees shall be provided a copy of the rules at the time of hire.
36

37 5. A Policy Revision Committee shall be established to discuss and review proposed changes to
38 Department of Community Justice policies that directly affect members of the Federation. The Federation shall
39 appoint two (2) members to the Committee to attend meetings held by the Policy Revision Committee without
40 loss of pay. The appointees shall be authorized to speak on behalf of the Federation and to bind the
41 Federation. If both the Federation appointees agree to any policy change, the County shall have no further
42 obligation to bargain the proposed changes with the Federation. In the event the Federation appointees do not
43 agree and the matter involves a mandatory subject of bargaining or the impact of a mandatory subject of
44 bargaining under the PECBA, the County and the Federation agree to bargain in accordance with the PECBA.
45 Nothing in this Agreement prevents the County from implementing permissive subjects of bargaining that do not
46 impact a mandatory subject without bargaining. The County's agreement to discuss potentially permissive
47 subjects does not render the matter a mandatory subject of bargaining nor does it compel either party to make
48 concessions. Either party to this agreement may dissolve this committee for any reason at any time with two
49 weeks notice. If the committee is dissolved, work rules shall be processed in accordance with Section 4. above.
50

51 6. **Loss of Personal Property**

52 A. **Procedure for Advancing Claims:** Employees who suffer a loss of personal property on
53 County premises shall be provided a claims form by the Risk Management Division upon request. Premises, for
54 this purpose, are defined as County facilities and vehicles. The Risk Management Division shall provide the
55 requesting employee with a determination in writing by the County of the legal liability the County may have in
56 the matter. The County will pay claims for which it determines it has legal liability.
57
58
59
60

1 B. **Exclusion of Personal Vehicles:** Unless authorized for County business, personal vehicles
2 are expressly excluded from this provision. Loss or damage to employees' personal vehicles are the sole
3 responsibility of the employee.
4

5 7. **Labor Management Committee:**
6

7 The parties agree to the principles of labor management cooperation in order to promote harmonious
8 relations and provide internal communications. The committee will determine the schedule and frequency of
9 meeting. Federation members to the Labor Management Committee will be released with pay to attend
10 meetings. These meetings will not take the place of collective bargaining nor will they result in decisions about
11 matters that are mandatory subjects of bargaining.
12

13 8. **Public Records Requests:**
14

15 Within three (3) business days of receipt by the Department of a public records request related to an
16 employee, the Department shall provide notification of such request to the affected employee. The Department
17 will also provide a summary of the information released, and at the employee's option, the Department will
18 provide a copy of the information released.
19

23 operation standards of safety and health in accordance with the State of Oregon Safe Employment Act.
24

25 2. **Safe Place of Employment:** It is the responsibility of the County to make every reasonable effort to
26 provide and maintain a safe place of employment. It is the responsibility of all employees to practice safe
27 working habits and to report any observed unsafe conditions immediately. The employee will report any
28 personally observed unsafe practice or conditions to the immediate supervisor. The Labor Management
29 Committee shall seek to resolve any differences in interpretation or practice as what constitutes an unsafe
30 practice or condition.
31

32 3. **First Aid Kits:** The County shall provide first aid kits in sufficient quantity to serve the employees at
33 each work location.
34

35 4. **Protective Clothing:** If any employee is required to wear protective clothing, such protective clothing
36 shall be furnished to the employee by the County. The initial cost of purchase and tailoring will be paid by the
37 County.
38

39 5. **Vehicles:** Each vehicle which is provided for use by Parole and Probation Officers shall be properly
40 maintained in a safe and serviceable condition. Each vehicle will have in it a first aid kit, a fire extinguisher, two
41 communicable disease kits and jumper cables.
42

43 6. **Safety Equipment:** Body armor will be provided to all field Officers and replaced by the County per
44 manufacturer's warranty.
45

46 7. **Firearms:** Employees may carry their Department issued firearm concealed while in the office and not
47 engaged in active field work without all of their other safety equipment. Employees may carry their firearm
48 unconcealed while wearing duty apparel clearly marked "Parole Officer" on the back with the department badge
49 clearly displayed. The County will provide safe and secure storage for firearms at the employee's assigned
50 work location.
51

52 **ARTICLE 20 – DEFENSE OF CIVIL CLAIMS**
53
54

55 1. **Legal Defense:** the employer shall provide legal counsel to any current or former employee in
56 connection with any civil action brought against him or her arising out of the performance of his or her duties in
57 accordance with ORS 30.260 – 30.300 (Oregon Tort Claims Act). Employees will be made aware of any claim
58 or action involving the employee within a reasonable amount of time after the County Attorney's Office (CAO)
59 becomes aware of such claim or action; provided, however, that such notice will not be given more than thirty
60 (30) days from the date the Department is made aware of such action.
40

1
2 2. An employee who is a named defendant shall be notified by the Department of Community Justice
3 (DCJ), and provided a copy of the complaint, within five (5) business days after the CAO has notified DCJ of
4 such claim or action.
5

6 3. Upon written request by an employee involved in such claim or action, the County shall provide copies
7 of information, related to the employee's involvement in such claim or action, to the requesting employee.
8
9

10 **ARTICLE 21 - USE OF FORCE**

11
12 The Federation President or designee will appoint one (1) member to actively participate on any use of force
13 review board convened by the County. The member appointed shall participate without loss of pay.
14

15 **ARTICLE 22 - PENSIONS**

16 17 1. **Pension:**

18
19 A. **PERS/OPSRP Membership:** Employees shall be eligible for participation in the Oregon Public
20 Employees Retirement system (PERS) (coverage for Police Officers and Firefighters) and the Oregon Public
21 Service Retirement Plan (OPSRP) (coverage for Police Officers and Fire Fighters), pursuant to ORS Chapters
22 237, 238, and 238A and subject to the terms and conditions of the Agreement, dated January 22, 1982,
23 integrating the Multnomah County Employees' Retirement System and PERS, such Agreement having been
24 entered into between the Oregon Public Employees' Retirement Board and Multnomah County pursuant to the
25 former provisions of ORS 237.051 (now ORS 238.680).
26

27 B. **PERS "Pick-Up" and "Pick-Up" Under IRC Section 414 (h) (2):**

28
29 1. The County shall "pick-up" the employee contribution to PERS, six percent (6%), as
30 permitted by ORS 238.205. The parties acknowledge that the pick up payment is inapplicable to employees
31 who are not PERS members due to insufficient service. Pursuant to ORS 238.205(5) and (6), the parties agree
32 and acknowledge that employee compensation was reduced in order to generate the funds needed to make
33 these employee contributions to the employee accounts; the employer will file any required notices with the
34 Public Employees Retirement Board.
35

36 2. OPSRP "Pick-Up".

37 The County shall "pick up" the employee contribution to OPSRP as permitted by ORS
38 238A.335(1). Pursuant to ORS 238A.335(2)(a) and (3), the parties agree and acknowledge that employee
39 compensation was reduced in order to generate the funds needed to make these employee contributions to the
40 employee accounts; the employer will file any required notices with the Public Employees Retirement Board.
41

42 3. To the extent allowable by law, the required employee contribution of 6% of wages to
43 PERS is deemed to be "picked up" by the County for the limited purposes of Section 414(h)(2) of the Internal
44 Revenue Code and any related federal or state tax policies.
45

46 4. Sick Leave in Application to Final Average Salary (PERS): In accordance with the
47 terms and limitations of ORS 238.350, one half (1/2) of the accumulated unused sick leave with pay will be
48 applied to final average salary for the purpose of pension benefit determination.

49 2. **Retiree Medical Insurance:**

50
51 A. **Definitions:** For purposes of this section, a "retiree" refers to a person who retired from the
52 County on or after the execution date of this Agreement and, at the time of retirement, occupied a position
53 covered by this bargaining unit. For purposes of this section, a "member" refers to an active employee(s) in a
54 position covered by this Agreement.
55

56 B. **Right to Participate:** Except as otherwise provided by this section, retirees may continue to
57 participate in the County medical plan available to members. Coverage of eligible dependents uniformly

1 terminates when coverage of the retiree terminates, except as otherwise required by applicable state or federal
2 law.

3
4 C. **Choice of Plan:** To the extent members are permitted to choose from among two (2) or more
5 medical insurance plans, retirees shall be permitted to choose between the same plans under the same
6 conditions and at the same time as apply to members. Retirees participating in the members' medical insurance
7 plan shall be subject to the application of any change or elimination of benefits, carrier, administrator or
8 administrative procedure to the same extent and at the same time as members.

9
10 D. **Retiree Responsibilities:** The retiree shall be responsible for promptly notifying the Benefits
11 Administrator, in writing, of any changes in the retiree's current address and of any changes in retiree or
12 dependent eligibility for coverage.

13
14 E. **Eligibility for County Payment of One Half of Premium:** The following terms related to
15 benefit payments, service, and age requirements shall also apply:

16
17 1. **Payment at 58:** The County shall pay one-half (1/2) of the monthly medical insurance
18 premium on behalf of a retiree and his or her eligible dependents from the retiree's fifty-eighth (58th) birthday or
19 date of retirement, whichever is later, until the retiree's sixty-fifth (65th) birthday, death, or eligibility for Medicare,
20 whichever is earlier, if the retiree had:

- 21
22 a. five (5) years of continuous County service immediately preceding retirement at or
23 after age fifty-eight (58) years, or
24
25 b. ten (10) years of continuous County service immediately preceding retirement prior
26 to age fifty-eight (58) years, or
27

28 2. **Payment at 55 or earlier:** The County shall pay one-half (1/2) of the monthly medical
29 insurance premium on behalf of a retiree and his or her eligible dependents from the retiree's fifty-fifth (55th)
30 birthday or date of retirement, whichever is later, until the retiree's sixty-fifth (65th) birthday, death, or eligibility
31 for Medicare, whichever is earlier, if the employee had:

- 32
33 a. Thirty (30) years of continuous service with employers who are members of the
34 Oregon Public Employee Retirement System and twenty (20) or more years of
35 continuous County service immediately preceding retirement; provided, however
36 that employees employed on or before July 1, 1992, who are eligible for PERS
37 regular retirement with 30 years of PERS service and twenty (20) years of County
38 service shall be eligible for County payment of half the medical premium without
39 waiting until age fifty-five (55) or
40
41 b. Ten (10) years of continuous County service immediately preceding retirement in
42 the event of disability retirement.
43

44 F. **Eligibility for Medicare:** Actual application for Medicare shall not be required for a finding that
45 a retiree is "eligible for Medicare" under "Subsection E" of this section.
46

47 G. **Part-Time Prorating:** Part-time service in a regular budgeted position shall be pro-rated as half
48 for purposes of the service requirements under "Subsection E" of this section. (For example, part-time service
49 for two (2) months would equal one (1) month toward the applicable service requirement.)
50

51 H. **Requirement to Continuously Participate:** In addition to the other requirements of this
52 section, continued medical plan participation or benefit of County contributions is conditioned on the retiree's
53 continuous participation in the member's medical insurance plan from the time of retirement, and upon the
54 retiree's timely payment of the applicable retiree portion (i.e., 50% or 100% as applicable) of the monthly
55 premium. Failure to continuously participate or make timely and sufficient payment of the applicable retiree
56 portion of the monthly premium shall terminate the retiree's rights under this section. Payments by retirees of
57 their portion of the monthly premiums under this section shall be timely if the retiree has directed PERS to
58 regularly deduct his or her portion of the monthly premium from his or her pension check and remit the proceeds
59 to the County's collection agent, or if the retiree has directed the County's collection agent to invoice or
60 electronically transfer funds (EFT) from his or her account. The Central Human Resources Division shall inform

1 the retiree at the time he or she signs up for continued medical insurance coverage of the identity and address
2 of the County's collection agent and shall thereafter inform the retiree of any change in collection agent at least
3 forty-five (45) days prior to the effective date of such change.
4

5 I. **State and Federal Tax Offset:** In the event County medical insurance premium payments on
6 behalf of retirees or their dependents are made subject to state or federal taxation, any additional costs to the
7 County shall be directly offset against such payments required under this section. (For example, if the effect on
8 the County of the additional tax is to increase the County's outlay by an amount equivalent to ten percent (10%)
9 of aggregate monthly retiree premium, the County's contribution shall be reduced to 40% of premium so that net
10 County costs will remain unchanged.)
11

12 **ARTICLE 23 – MODIFICATION OF WORK PERFORMED: CONTRACTING**

13
14 1. Unless mutually agreed, the County will not contract out or subcontract any work now performed by
15 employees covered by this Agreement when such would result in layoff of any bargaining unit employee(s) and
16 the County is unable to find suitable or comparable alternate employment for the employee(s). However, this
17 provision shall not apply to contracting out or subcontracting work when such was anticipated and considered as
18 part of the budgeting process and when the Federation Representative and/or President have been notified of
19 the specific plan and its probable impact at least thirty (30) days prior to adoption of the annual executive budget
20 or formal Board consideration of budget modifications.
21

22 2. The County agrees to meet with the Federation to discuss the effect of proposed contracting out or
23 subcontracting prior to the presentation of the proposal to the County Chair or Board for formal Action.
24

25 3. The County further agrees to meet with the Federation at its request to explore the alternative work
26 force reduction by attrition. The County also agrees that to the extent practicable transfers shall be made to
27 open vacancies and re-employment of employees affected by such action shall occur for as long as they are so
28 qualified in accordance with established layoff guidelines. The Federation agrees to assist the County in
29 minimizing the impact on such affected employee(s).
30

31 **ARTICLE 24 – SHIFT AND WORK ASSIGNMENT**

32
33 1. **Vacancy:** A vacancy shall exist when:
34

35 A. The employee assigned to a budgeted position abandons such position because of transfer,
36 promotion, or demotion to another position or County agency; or upon voluntary or involuntary termination of
37 County employment;
38

39 B. Additional budgeted positions are allocated;
40

41 C. Workload requirements necessitate reallocation of duties for a period in excess of ninety (90)
42 days, for example, a training assignment or assignment to another unit with a workload issue;
43

44 D. When an employee is on unpaid leave that will exceed ninety (90) days.
45

46 2. **Temporary Work Assignments:**
47

48 A. **One hundred eighty (180) Days or Less (Temporary Assignments) & Employee Rotation**
49 **Plans:** Work assignments and employee rotation plans of one hundred eighty (180) days or less shall be solely
50 at the discretion of management. Following such a short term assignment, the employee will be returned to his
51 or her regular assignment. Employees shall not be rotated more often than once in a twenty four (24) month
52 period.
53

54 To further employee development or motivation, the County may rotate employees in the same classification
55 between job assignments within a work unit or between work units, subject to the following limitations:
56

57 1. Any such rotation plan shall be posted ten (10) days in advance with a copy provided to
58 the Federation.
59

60 2. The terms and criteria of the rotation plan shall apply to all employees in the affected

1 job classification within a work unit or work units.

2
3 3. The County shall have a plan to reasonably cover the transferred employee's regular
4 assignment.

5
6
7 3. **Permanent Shift/Work Assignment:** A permanent vacancy is a vacancy determined by management
8 to be for a duration of over six (6) months. Whenever there is more than one shift or work assignment within the
9 same job classification within a work unit, permanent vacancies shall be filled in the following manner:

10 A. Management will provide employees a notice of such vacancy, the person to contact, and the
11 deadline for consideration.

12
13 B. The vacancy shall be filled on the basis of seniority provided the employee is able to perform
14 the work in question and has indicated his or her preference in writing. Exceptions to seniority preference
15 assignment may be made in the following situations:

16
17 1. In regard to work assignment only, when a less senior employee is substantially
18 more qualified for the position in question. For purposes of this article, the factors for consideration in
19 assignment include, but are not limited to, the following. However, even these factors will be evaluated on a
20 case-by-case basis:

21
22 a. Employee must have successfully completed their probationary period.

23 b. Employee is not on a work improvement plan or currently subject to discipline.

24
25 c. Unique or particularly strong skills developed as a result of previous experience,
26 training, education, desire and interest.

27
28 d. Training history and/or certification that demonstrate a willingness to participate in
29 ongoing training in order to maintain proficiency and expertise.

30
31 e. Required certification, such as CADC, Mental Health licensure or
32 Alcohol/Evaluation certification.

33
34 f. Knowledge of the issues related to the current offense(s), including criminal history
35 and behavior patterns that require a certain level of expertise and a unique set of supervision skills.

36
37 C. An employee who has applied for, and accepted, a transfer within the previous twelve (12)
38 months is not eligible for transfer unless as determined by management that extenuating circumstances dictate
39 otherwise.

40
41 D. In the event no expression of preference exists for a shift or work assignment, management
42 may fill a vacancy with the least senior qualified employee in the work unit. Involuntary changes in shift
43 assignment shall require ten (10) days advance written notice to the affected employee.

44
45 E. When a new work assignment with substantially different duties is created, it shall be posted for
46 ten (10) days to permit employees to indicate their preference for the assignment.

47
48 4. **Trial Service Periods:** Upon appointment to a new regular work assignment, including transfers, and
49 specifically including any lateral transfer to another classification, the employee will serve a trial service period of
50 one hundred and twenty (120) days to demonstrate his or her ability to fulfill the requirements of the assignment.
51 If the employee does not satisfactorily fulfill the requirements of the assignment, such employee will be returned,
52 first, to his or her previous work assignment, or if it is not available, to a vacant position. Such determination of
53 satisfactory performance within the one hundred and twenty (120) day trial service period will be made by
54 management.

55
56 5. **Work Unit and Work Assignment Determination and Specification**

1 A. **Departmental Determination:** Each Department, either directly at the Departmental level, or
2 by delegation, shall determine the work units and work assignment structure of its organization and may change
3 this determination from time to time to reflect changes in the organization's structure and/or needs. For
4 example, a Department which has defined its service delivery sites as work units, and major functions within
5 those sites as work unit assignments, may choose to treat the entire Department as a work unit with the site
6 locations as work assignments. Whenever practicable, to ensure communication with employees and discussion
7 of the implementation process and/or of alternatives, the Department will notify the Federation thirty (30) days in
8 advance of any planned change in the determination of work units.
9

10 When changes in the Department structure and/or needs result in the need to make changes to an employee's
11 geographic work location, management will seek qualified volunteers from the affected geographic work
12 location. If there are no qualified volunteers for the change, the least senior qualified employee at that location
13 shall be moved with no less than thirty (30) working day notice period. Available vacancies will be frozen and
14 the affected employee(s) shall select among the vacant positions for which they are qualified based on seniority.
15 The date of freezing shall be four (4) weeks prior to the implementation of the re-org. The freeze will be lifted on
16 the day the affected employee(s) have made their selection.
17

18 B. **Listing of Units:** In order to assist the Federation in enforcing the terms of the Agreement both
19 in this article as well as in others, the County will provide no later than April 1 of each year a comprehensive
20 listing of all work units within the County by Department.
21

22 **ARTICLE 25 - SAVINGS CLAUSE**

23
24 Should any Article, Section, or portion thereof, of this Agreement be held unlawful and unenforceable by any
25 Court of competent jurisdiction, such decision of the Court shall apply to the specific Article, Section or portion
26 thereof, directly specified in the decisions; upon the issuance of such a decision, the parties agree immediately
27 to negotiate a substitute, if possible, for the invalidated Article, Section or portion thereof.
28

29 **ARTICLE 26 - ENTIRE AGREEMENT**

30
31 This document constitutes the sole and complete agreement between the Federation and the County and
32 embodies all the agreed to terms and conditions governing the employment of the employees in the negotiating
33 unit. The parties acknowledge that they have had the opportunity to present and discuss proposals on any
34 subject which is or may be subject to negotiation. Any prior written or unwritten commitment or agreement
35 between the County and the Federation that is in conflict with this Agreement is hereby superseded by the terms
36 of this agreement. Nothing in this Article shall preclude the parties during the term of this agreement from
37 voluntarily entering into amendments to the Agreement; nor shall the Federation and the County Chair or his or
38 her designee(s) for labor relations be precluded from voluntarily entering into Memoranda of Understanding,
39 Interpretation, Agreement or Exception concerning matters of contract administration.
40

41 **ARTICLE 27 - TERMINATION**

42
43 This Agreement shall become effective as of the 1st day of July, 2011, and shall remain in full force and effect
44 until the 30th day of June, 2014, and each year thereafter, unless either party shall notify the other in writing no
45 later than March 1, that it desires to modify this Agreement. In the event notice to modify is given, negotiations
46 shall begin no later than April 1. The contract shall remain in full force and effect during the period of
47 negotiations and any Arbitration process.
48

49 **ADDENDUM A**

50 **WAGES**

51
52
53
54
55 Wages Effective July 1, 2011: Effective July 1, 2011, each of the steps in the wage scale in effect on June 30,
56 2011, in Table 1 of Addendum A shall be maintained at their current amount.
57

58 Wages Effective July 1, 2012: Effective July 1, 2012, the straight-time base hourly wage of employees covered

18 **ADDENDUM B – LEAD WORKER ASSIGNMENT AND PAY**
19

20 1. **Duties Defined:** A Lead Worker assignment involves certain limited supervisory and administrative
21 duties which are deemed not to warrant a separate classification. These duties include, but are not limited to:
22 laying out the work for other employees, balancing the work, directing the work, reviewing the work and
23 employee conduct for adherence to standards and rules, and making such reports as may be required to
24 supervisory employees. Lead Workers typically spend a substantial portion of their time in performing the duties
25 of the base classification. Normally, the employees directed by a Lead Worker are in the same classification, but
26 additional classifications are sometimes involved. An employee assigned to be a Lead Worker will not impose or
27 effectively recommend (as that term is intended in Oregon law) formal discipline, i.e. an oral reprimand or
28 above. Lead Workers shall not issue any discipline. Lead Workers shall not be present when discipline is
29 issued. Lead Workers shall not prepare or issue performance evaluations and any involvement of Lead Workers
30 in performance evaluation shall conform to the restrictions of Article 17, Section 3.
31

32 2. **Assignment, Selection, Modification, and Termination:** Assignment and selection of Lead Workers
33 shall be at the sole discretion of the County. Lead worker assignments for over sixty (60) continuous days will be
34 posted in the affected work unit for no less than five (5) work days. Employees in the work unit interested in the
35 lead worker assignment shall submit a letter of interest to the unit manager and will be considered for the
36 assignment through an interview process. An employee assigned as a Lead Worker for one (1) year or more
37 shall be given ten (10) days notice prior to the termination of such an assignment. A copy of the termination
38 notice will be simultaneously given to the Federation. Significant modifications of Lead Worker duties deemed
39 by the County to warrant a modification in the amount of compensation shall also be with ten (10) days notice,
40 with notice to the Federation of such change. All lead worker assignments will be reviewed for continuation at
41 least once every two (2) years.
42

43 3. **Pay:** The Lead rate for the Probation / Parole Officer Classification shall be calculated by increasing the
44 base hourly pay rates by six and eight-tenths percent (6.8%)

1. **Drug Free Workplace Act:** Multnomah County, in keeping with the provisions of the federal Drug Free Workplace Act of 1988, is committed to establishing and maintaining a work place which is free of alcohol and drugs and free of the effects of prohibited alcohol and drug use.

2. **Holders of Commercial Drivers Licenses** While references to rules governing holders of Commercial Drivers Licenses (CDLs) are included below, they are not comprehensive. CDL holders are responsible for complying with all laws, work rules, or County procedures pertaining to them, in addition to the requirements of this addendum.

3. **Alcohol and Drug Policy Work Rules and Discipline**

A. **Conduct Warranting Discipline**

1. While on duty, or on County premises, or operating County vehicles, employees shall obey the work rules listed in "Section B" below. As with all work rules, violations may result in discipline per the provisions of Article 17, Disciplinary Action.

2. Employees will not be subject to discipline for seeking treatment for alcohol or drug dependency. However, employees will be held fully accountable for their behavior. Seeking treatment will not mitigate discipline for rule violations or other unacceptable conduct caused by such dependency.

B. **Work Rules:**

1. **Possession, consumption, and distribution of alcohol and drugs while on duty**
Employees shall:

a. Not possess, consume, manufacture, distribute, cause to be brought, dispense, or sell alcohol or alcohol containers in or to the work place except when lawfully required as part of the job. An exception will be sealed alcohol containers for gift purposes; supervisors must be notified when such containers are brought to the work place. The "work place" includes County vehicles and any other vehicle while being used for County business.

b. Not possess, consume, manufacture, distribute, cause to be brought, dispense, or sell illegal drugs or drug paraphernalia, in or to the work place except when lawfully required as part of the job.

1 c. Not distribute, dispense or sell prescription medications except when lawfully
2 required as part of the job.

3
4 d. Not possess or consume prescription medications without a valid prescription.

5
6 2. **Possession, consumption, and distribution of alcohol and drugs while off duty on**
7 **County premises**

8 Employees shall:

9
10 a. Not use, possess, or distribute illegal drugs.

11
12 b. Not use or distribute alcohol without authorization.

13
14
15 3. **Fitness for duty:**

16 Employees shall:

17
18 a. Not report for duty while "under the influence" of alcohol or drugs. An individual
19 is considered to be "under the influence" of alcohol if a breathalyzer test indicates the presence of alcohol at or
20 above the .04% level. An individual is considered to be "under the influence" of drugs when testing indicates the
21 presence of controlled substances at or above the levels applying to CDL holders.

22
23 b. Not render themselves unfit to fully perform work duties because of the use of
24 alcohol or illegal drugs, or because of the abuse of prescription or non-prescription medications.

25
26 c. Comply with legally mandated occupational requirements, whether or not they
27 are specifically included in this policy. For example, by law holders of CDLs may not perform safety sensitive
28 functions, such as driving, at or above the .02% level.

29
30 d. Not be absent from work because of the use of alcohol or illegal drugs, or
31 because of the abuse of prescription or non-prescription medications, except when absent to participate in a
32 bona fide assessment and rehabilitation program while on FMLA and/or OFLA leave.

33
34 e. Inform themselves of the effects of any prescription or non-prescription
35 medications by obtaining information from health care providers, pharmacists, medication packages and
36 brochures, or other authoritative sources in advance of performing work duties.

37
38 f. Notify Human Resources in advance in writing when their use of prescription or
39 non-prescription medications may impair the employee's ability to perform the essential functions of their
40 position that will result in a direct threat to others. Such employees include, but are not limited to, sworn officers,
41 holders of a CDL and those handling hazardous equipment or materials. Employees who drive a motor vehicle
42 as part of their job, whether a County vehicle or their personal vehicle should report when they are taking any
43 medication that may impair their ability to drive.

44
45
46 4. **Cooperation with Policy Administration**

47 Employees shall:

48
49 a. Not interfere with the administration of this Drug and Alcohol Policy. Examples
50 include, but are not limited to, the following: tainting, tampering, or substitution of urine samples; falsifying
51 information regarding the use of prescribed medications or controlled substances; or failure to cooperate with
52 any tests outlined in this policy to determine the presence of drugs or alcohol.

53
54 b. Provide to Human Resources within twenty four (24) hours of request a current
55 valid prescription in the employee's name for any drug or medication which the employee alleges gave rise to
56 reasonable suspicion of being under the influence of alcohol or drugs.

57
58 c. Respond fully and accurately to inquiries from the County's Medical Review
59 Officer (MRO); authorize MRO contact with treating health care providers upon request.

d. Complete any assessments or treatment programs required under this Policy.

e. Sign a waiver upon request authorizing treatment providers to disclose confidential information necessary to verify successful completion of any assessment or treatment program required under this Policy.

f. Disclose promptly (upon the next working day) and fully to his/her supervisor:

1. All drug or alcohol-related arrests, citations, convictions, guilty pleas, no contest pleas or diversions which resulted from conduct which occurred while he or she was on duty, on County property, or in a County vehicle; or

2. Any other violation of laws regulating use of alcohol and controlled substances which adversely affects an employee's ability to perform major job functions, specifically to include loss or limitation of driving privileges when the employee's job is identified as requiring a valid license.

C. **Levels of Discipline:**

1. The level of discipline imposed on non-probationary employees for violation of the Alcohol and Drug Policy Work Rules above or other violations resulting from the use of alcohol or drugs will be according to the provisions of Article 15, Discipline and Discharge.

2. Employees will be held fully accountable for their behavior. Use of alcohol or drugs, or alcohol or drug dependency, will not mitigate the discipline imposed for rule violations, misconduct, or poor performance except as specifically provided in the section on last chance agreements below.

3. The Parties acknowledge that, all other things being equal, certain duties imply a higher standard of accountability for compliance with the requirements of this policy than others. These duties include, but are not limited to, the following:

- a. Carrying firearms,
- b. Work in the criminal justice system,
- c. Responsibility for public safety or the safety of co-workers,
- d. Handling narcotics or other controlled substances,
- e. Handling hazardous equipment or materials,
- f. Influencing the behavior of minors, and
- g. Holding a Commercial Drivers License.

4. In instances in which the County determines that an employee's conduct warrants termination, the County may offer the employee continued employment under the terms of a Last Chance Agreement if there are mitigating circumstances, such as substances abuse dependence or other good cause. An example of a Last Chance Agreement is included as an attachment to this Addendum.

a. Any Last Chance Agreement will include but not be limited to the following:

1. The requirement that the employee enroll, participate in, and successfully complete a treatment program as recommended by the Substance Abuse Professional;

2. The right for the County to administer any number of unannounced follow up drug or alcohol tests at any time during the work day for a period of two (2) years from completion of any required treatment or education program;

1 3. The signatures of the employee's supervisor, the employee, and the
2 employee's Federation representative.
3

4 b. The offer of a Last Chance Agreement will not set precedent for the discipline
5 of other employees in the future. Any discipline incorporated in a Last Chance Agreement may not be grieved
6 under the provisions of Article 16, Settlement of Disputes.
7

8 D. **Mandatory Assessment and Treatment:**
9

10 1. Employees who are disciplined for conduct which is related to the use of alcohol or
11 drugs may be required to undergo assessment and to complete a program of education and/or treatment
12 prescribed by a Substance Abuse Professional selected by the County. Employees who test positive for alcohol
13 or controlled substances will be required to undergo assessment at the earliest opportunity, regardless of
14 whether disciplinary action has been taken.
15

16 2. The County will verify employees' attendance, and that the assessment and treatment
17 have been completed. This verification and any other information concerning alcohol and drug dependency will
18 be treated as confidential medical information per applicable state and federal law and County Administrative
19 Procedures.
20

21 3. Policy on the use of leave for assessment and treatment will be the same as for any
22 other illness.
23

24 E. **Return to Work Testing:**

25 Employees who test positive for being "under the influence" of drugs will be required to test negative before
26 returning to work. (Note that Federal law requires CDL holders performing safety sensitive functions to undergo
27 return to work testing after a positive alcohol or drug test.)

28 4. **Testing:**
29

30 A. **Basis for Testing:**
31

32 1. **All employees may be tested:**
33

34 a. Based on reasonable suspicion of being "under the influence" of alcohol or
35 prohibited drugs;
36

37 b. Before returning to work after testing positive for being "under the influence" of
38 alcohol or drugs, or
39

40 c. As part of a program of unannounced follow-up testing provided for in a Last
41 Chance Agreement.
42

43 2. An employee applying for a different County position will be subject to testing on the
44 same basis, and using the same procedures and methods, as outside applicants.
45

46 B. **Establishing Reasonable Suspicion:**
47

48 1. **Definition:**
49

50 "Reasonable suspicion" is a set of objective and specific observations or facts which lead a supervisor to
51 suspect that an employee is under the influence of drugs, controlled substances, or alcohol. Examples include,
52 but are not limited to: slurred speech, alcohol on the breath, loss of balance or coordination, dilated or
53 constricted pupils, apparent hallucinations, high absenteeism or a persistent pattern of unexplained
54 absenteeism, erratic work performance, persistent poor judgment, difficulty concentrating, theft from office or
55 from other persons, unexplained absences during office hours, or employee's admission of use of prohibited
56 substances.
57

1 2. **Supervisory training:** The County will provide training to all supervisors on
2 establishing reasonable suspicion and the nature of alcohol and drug dependency. Supervisors who have not
3 been trained will not have the authority to direct employees to be tested on the basis of reasonable suspicion of
4 being under the influence.
5

6 3. **Lead Workers:** Lead Workers who oversee day to day work activities are
7 "supervisors" for the purposes of establishing reasonable suspicion and directing employees to be tested on that
8 basis. This provision applies to lead workers who supervise or act as lead workers as part of their job
9 description, (such as Corrections Records Supervisors and Maintenance Crew Leaders), as well as to those
10 who receive premium pay under Addendum B, Lead Worker Assignment and Pay.
11

12 4. **Additional precautions:** Application of the "Reasonable Suspicion" standard to any
13 employee in this bargaining unit shall include the following additional precautions:
14

15 a. The supervisor shall articulate orally a summary of the specific facts which form
16 the basis for believing that the employee is under the influence of drugs or alcohol; and
17

18 b. The supervisor shall provide upon request within forty eight (48) hours of the
19 oral determination of "reasonable suspicion" a written specification of the grounds for reasonable
20 suspicion; and
21

22 c. Except in field or shift circumstances, which render contact difficult, no
23 supervisor shall refer an employee for a drug or alcohol test based on "reasonable suspicion" unless the
24 supervisor has consulted with another supervisor or exempt person regarding the grounds for the
25 suspicion.
26

27 C. **Testing Methodology:**
28

29 . Testing procedures for all employees will be governed by the same standards as apply
30 to CDL drivers under federal law. These standards include, but are not limited to, those governing sample
31 acquisition, the chain of custody, laboratory selection, testing methods and procedures, and verification of test
32 results.
33

34 **1. Drug Testing**
35

36 a. Drug tests are conducted using urine specimens. In accordance with
37 CDL standards, the County will contract with a medical doctor trained in toxicology to act as an MRO (Medical
38 Review Officer). In the case of positive tests, the MRO will attempt to contact employees to review preliminary
39 positive test results with employees and any relevant health care providers before the results are reported to the
40 County. Based on his or her professional judgment, he or she may change the preliminary test result to
41 negative. The County will not be able to distinguish a test result that is negative by MRO intervention from any
42 other negative result.
43

44 b. In addition to compliance with federal guidelines, the following safeguards will
45 also be applied:
46

47 i. Test results will be issued by the MRO or the testing laboratory only to
48 the County's Drug and Alcohol Policy Coordinator. The results will be sent by certified mail or hand-
49 delivered to the employee within three (3) working days of receipt of results by the County.
50

51 ii. **Appeals.** If an employee disagrees with the results of the alcohol or drug
52 test, the employee may request, in writing within five (5) days of receipt of test results, that the
53 original sample be re-tested at the employee's expense by the testing laboratory. The result of
54 any such retest will be deemed final and binding and not subject to any further test. Failure to
55 make a timely written request for a retest shall be deemed acceptance of the test results. If an
56 employee requests a retest, any disciplinary action shall be stayed pending the results of the re-
57 testing.
58

59 **2. Alcohol Testing**

1 a. Alcohol tests are conducted using a breathalyzer screening test. Employees
2 who test 0.02 or higher will be required to submit to a confirmation test. Test results will be issued only to the
3 County's Drug and Alcohol Policy Coordinator. The results will be sent by certified mail or hand-delivered to the
4 employee within three (3) working days of receipt of the results by the County.

5 b. Alcohol confirmation tests are considered final, they may not be appealed.
6

7 3. Test reports are medical records, and will be handled according to applicable state and
8 federal law and County Administrative Procedures which insure the confidentiality of such records.

9 5. **Definitions:**

10 A. **Alcohol:** Ethyl alcohol and all beverages or liquids containing ethyl alcohol. Levels of alcohol
11 present in the body will be measured using a breathalyzer test.
12

13 B. **Controlled Substance:** All forms of narcotics, depressants, stimulants, analgesics,
14 hallucinogens, and cannabis, as classified in Schedules I-V under the Federal Controlled Substances Act (21
15 USC § 811-812) as modified under ORS 475.035, whose sale, purchase, transfer, use, or possession is
16 prohibited or restricted by law.
17

18 C. **County:** Multnomah County, Oregon.
19

20 D. **Drug Paraphernalia:** Drug paraphernalia means any and all equipment, products, and
21 materials of any kind, as more particularly defined in ORS 475.525(2), which are or can be used in connection
22 with the production, delivery, or use of a controlled substance as that term is defined by ORS 475.005.
23

24 E. **Drug Test:** A laboratory analysis of a urine sample to determine the presence of certain
25 prohibited drugs or their metabolites in the body.
26

27 F. **Drugs:** Controlled substances, designer drugs (drug substances not approved for medical or
28 other use by the U.S. Drug Enforcement Administration or the U.S. Food and Drug Administration), and/or over-
29 the-counter preparations available without a prescription from a medical doctor that are capable of impairing an
30 employee's mental or physical ability to safely, efficiently, and accurately perform work duties.
31

32 G. **Medical Review Officer (MRO):** A medical doctor trained in toxicology who contracts with
33 employers primarily to review positive preliminary drug test results with employees. The MRO determines
34 whether or not the results are likely to have been caused by factors other than drug abuse.
35

36 H. **On Duty:** The period of time during which an employee is engaged in activities which are
37 compensable as work performed on behalf of the County, or the period of time before or after work when an
38 employee is wearing a uniform, badge, or other insignia provided by the County, or operating a vehicle or
39 equipment which identifies Multnomah County.
40

41 I. **Prescription Medication:** A medication for which an employee is required by law to have a
42 valid, current prescription.
43

44 J. **Reasonable Suspicion of Being Under the Influence of Drugs or Alcohol:** See "Section 4.
45 B. 1. a" above.
46

48 psychologist, social worker, employee assistance professional, or addiction counselor with knowledge of and
49 clinical experience in the diagnosis and treatment of alcohol and controlled substance-related disorders.
50

51 L. **Under the Influence of Alcohol:** See "Section 3. B. 3" above.

LAST CHANCE AGREEMENT

The following agreement is entered into between Multnomah County, FOPPO and the Employee. Failure on the part of the employee to meet the expectations below will result in the termination of his or her employment with the County.

1. I agree to be evaluated by a qualified alcohol/substance abuse counselor, and if required, I shall immediately enroll and continue in a bona fide alcohol/drug inpatient or outpatient rehabilitation program approved by the County. I fully understand that should I fail to complete either the inpatient or outpatient program, my employment with the County will be terminated.

2. I agree to comply with and complete the conditions of my "Aftercare Plan" as recommended by my treatment counselor. If I must be absent from my aftercare session, I must notify the County. The County has my permission to verify my attendance at required meetings. If I do not continue in the aftercare program, I understand that my employment will be terminated.

3. I understand that the signing of this agreement shall allow the County the right to communicate with my physician and/or counselors regarding my status and progress of rehabilitation and aftercare. I further agree to sign any authorization or release of information necessary to allow for such communication.

4. I agree to submit to periodic, unannounced, unscheduled drug or alcohol testing (urinalysis and breath test) by the County for a period of twenty-four (24) months from the date I return to work. (This time period will increase accordingly if I am absent from work, for any reason, for a cumulative period of one month or more). I understand that if I refuse to take a drug and/or alcohol test or if a test is positive, my employment will be terminated.

5. I agree to return to work upon successful completion of an alcohol/drug rehabilitation program if my substance abuse counselor requires inpatient treatment.

6. It is understood that this agreement constitutes a final warning.

7. I understand the Employee Assistance Program is available to me should personal problems arise in the future that may have an effect on my ability to remain in compliance with the drug and alcohol policy and/or this agreement.

8. I realize that violation of the drug and alcohol rules and/or policies at any time in the future is cause for termination.

9. I realize that my employment will be terminated if I fail to meet the expectations outlined in this Agreement and the letter attached.

Disciplinary Action

I understand that the disciplinary action imposed in the attached letter may not be grieved under the grievance procedure in the Federation of Oregon Parole and Probation Officers' contract and that if I violate this Last Chance Agreement FOPPO will not grieve my violation.

Personal Commitment

I pledge and agree to abide by the terms of this agreement. I understand that a violation of or noncompliance with any of these terms will result in my being terminated. Further, I pledge to remain free of all illegal drugs and also not to abuse legal drugs (including alcohol). I hereby consent to the County's contacting any treatment or health care provider who may have information on my alcohol or drug dependency condition and/or compliance with the terms of this agreement and authorize the provider to furnish such information to the County.

I understand the terms and conditions of this letter. I also understand that, except as expressly stated in this agreement, my terms and conditions of employment will be determined by the County's policies and rules, and that this agreement does not guarantee me employment for any set period of time. I have had sufficient time to study it away from the work place and to consult anyone I desire about it. I sign it free of any duress or coercion. This letter will become part of my personnel file.
