General Information

1. What action are you requesting from the Board?

Approval of appropriation of \$20,744 in revenue for fiscal year 2011 from the King County Washington Department of Public Health. Through this award the Multnomah County Health Department (MCHD) will assist the Washington Practice-Based Research Network (WA PBRN) in securing funds for applied research studies.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Program Design and Evaluation Services (PDES) is an interdisciplinary, inter-agency evaluation and research work group, jointly established by the Multnomah County Health Department and the Oregon Health Authority (OHA), Office of Disease Prevention and Epidemiology. PDES monitors the health of and reports on the status of Multnomah County residents, provides data analysis and evaluation support to Health Department programs, and

responds to information requests from the general public.

As part of the PDES' on-going collaboration with public health agencies across the region, PDES has received grant funds through an intergovernmental agreement with King County Washington to support the Washington Practice-Based Research Network in securing funds for applied research studies. The scope of work for PDES under this agreement is:

- Review information about a given PBRN research priority by reviewing PBRN documentation, interviewing PBRN members, and researching additional information.
- Research potential funding opportunities for specific program areas.
- Design public health studies to address identified research priorities.
- Write parts or all of federal, state, local, and/or private foundation grants.
- Work in close collaboration with PBRN staff to determine and implement detailed schedule and tasks associated with the overall grant proposal preparation.
- Ensure that all necessary certification and/or letters of support are submitted with grant application.
- Provide all documents to King County Public health electronically.

The budget period for this award is 09/10/2010 through 12/31/2011, with a total award amount of \$100,000. This budget modification only represents the \$20,744 expected to be spent in fiscal year 2011. The remaining \$79,256 is in the Health Department's submitted fiscal year 2012 budget.

This increase in funding effects Program Offer 40035: Health Assessment, Planning and Evaluation. Health Assessment, Planning and Evaluation informs and supports health program and policy decisions through providing research, evaluation, program and fund development services. Health Assessment, Planning and Evaluation identifies health issues and concerns within the county, provides leadership for department-wide strategic planning, procurement of grant funds, and the development and evaluation of evidence-based programs. Evaluation efforts are aimed at examining the effectiveness of programs and initiatives and identifying opportunities for community health improvement.

3. Explain the fiscal impact (current year and ongoing).

Approval of this budget modification will increase the Health Department's federal/state FY 2011 budget by \$20,744. The remaining \$79,256 of this \$100,000 award is in the Health Department's submitted FY 2012 budget.

4. Explain any legal and/or policy issues involved.

Budget Modification

If the request is a **Budget Modification**, please answer **all** of the following in detail:

- **What revenue is being changed and why? If the revenue is from a federal source, please list the Catalog of Federal Assistance Number (CFDA).**

The Health Department's federal/state revenue budget will increase by \$20,744 in FY11 as a result of the work performed under this award.

- **What budgets are increased/decreased?**

As a result of this budget modification, the Health Department's budget will have the following changes:

- The Temporary budget will increase by \$13,085
- The Non Base Fringe budget will increase by \$3,652
- The Non Base Insurance budget will increase by \$2,150
- The Local Travel/Mileage budget will be increased by \$83
- The Central Indirect budget will increase by \$516
- The Dept Indirect budget will increase by \$1,258

No additional FTE will result from this budget modification.

- **What do the changes accomplish?**

Through this award the Multnomah County Health Department's Program Design & Evaluation Services unit will assist the Washington Practice-Based Research Network in securing funds for applied research studies.

- **Do any personnel actions result from this budget modification? Explain.**

No additional FTE will result from this budget modification. The internal services costs necessary to support any temp/on-call staff utilized on this grant are included in the current FY 2011 budget.

- **If a grant, is 100% of the central and department indirect recovered? If not, please explain why.**

The revenue covers these costs.

- **Is the revenue one-time-only in nature? Will the function be ongoing? What plans are in place to identify a sufficient ongoing funding stream?**

This revenue is one-time-only, and the function is not ongoing. When the grant expires, the project will have been completed.

- **If a grant, what period does the grant cover? When the grant expires, what are funding plans? Are there any particular stipulations required by the grant (i.e. cash match, in kind match, reporting requirements etc)?**

The grant period is September 10, 2010 – December 31, 2011. When the grant expires, the project will have been completed. There are no match requirements or non-standard reporting requirements.

NOTE: If a Budget Modification or a Contingency Request attach a Budget Modification Expense & Revenues Worksheet and/or a Budget Modification Personnel Worksheet.
