3. Explain the fiscal impact (current year and ongoing).

The work session provides information to assist the Board in reaching its final decisions regarding the FY 2016 budget. Adopting the budget will set the legal limits for spending during FY 2016 and is required to comply with Oregon Budget Law.

4. Explain any legal and/or policy issues involved.

The Board approved the Chair's Executive Budget on May 7th and submitted the Approved Budget to the Tax Supervising and Conservation Commission (TSCC). After the budget has been submitted, no Fund may be increased by more than 10% in total revenue, and no property tax greater than the amounts included in the Approved Budget may be levied. Resolution 03-094 mandates the seismic discussion.

5. Explain any citizen and/or other government participation that has or will take place.

Three evening public hearings are scheduled on May 13th, May 27th and June 10th to collect public input on the budget. Citizen Budget Advisory Committees have reviewed the program offers and will make presentations with recommendations to the Board of County Commissioners. Transmitting the Executive Budget to the TSCC allows the public and Board further time to review the Chair's Budget before final adoption.

Transportation and facilities projects have undergone review by many governmental and public participants in the various disposition and capital projects.
