General Information

1. What action are you requesting from the Board?

Update of Fees and Charges for Chapter 15, Sheriff, of the Multnomah County Code and Repealing Resolution No. 2012-081 to incorporate revisions made in the Oregon Revised Statutes Section 21.300 "Sheriff and process server fees" for the recovery of actual costs.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This resolution updates the Civil Process section of the MCC Chapter 15 Sheriff fees to comply with changes made in ORS 21.300 which sets sums for fees and allows "in addition, such sums as may be reasonable and necessary for the costs of standing by in anticipation of securing custody of the property, the expense of securing each keeper or custodian of property, the expense of inventory of property and the expense incurred in advertising required by law in the sale of the property". These fee adjustments are to cover the actual cost involved with the sale of real and personal property, as well as to add the Folio fee from the State statute.

3. Explain the fiscal impact (current year and ongoing).

Chapter 15, Sheriff, of the Multnomah County Code provides that the Board shall establish certain fees and charges by resolution.

4. Explain any legal and/or policy issues involved.
