

ODOT FLEXIBLE SERVICE AGREEMENT
Intergovernmental Agreement for Equipment and Services with
The Oregon Department of Transportation

THIS AGREEMENT is made and entered into by and between THE STATE OF OREGON, acting by and through its Department of Transportation and the cities and/or counties signing on to this Agreement, hereinafter referred to collectively as "Agencies". ODOT and Agencies shall be referred to collectively as "Parties".

RECITALS

1. By the authority granted in ORS 190.110, 366.572, 366.574 and 366.576, ODOT may enter into cooperative agreements with the counties, cities, and units of local government for the performance of work on certain types of maintenance or improvement projects with the allocation of costs on terms and conditions mutually agreeable to the contracting parties.
2. ODOT and Agencies own certain equipment and materials, and provides services that may be useful to other Parties for transportation related activities.
3. The Parties agree that sharing equipment, materials, and services is both to their mutual benefit and to the general public's benefit and promotes the cost-effective and efficient use of public resources so long as used for transportation purposes.
4. A previous Intergovernmental Agreement (IGA) for shared services was signed by Multnomah County, the City of Gresham, City of Portland, City of Fairview, City of Troutdale, City of Wood Village and Oregon Department of Transportation in 1991 which expired in 1996. A subsequent three-year IGA for shared services was entered into by Multnomah County, City of Gresham and Oregon Department of Transportation in 1996 and by the provision of a 1999 ADDENDUM, other parties agreed to sign and join the 1996 agreement.
5. The previously mentioned IGA and addendum have expired and have been replaced by the Portland Metropolitan Area Transportation (PMAT) Agreement, executed on August 15, 2002. Said agreement is administered by Multnomah County. The parties to said agreement to-date are Multnomah County, Washington County, Marion County, City of Gresham, City of Wood Village, Clackamas County, City of Salem, City of Portland, Hood River County, Polk County, Columbia County, Wasco County and Benton County.

6. It has been determined that ODOT cannot sign said aforementioned PMAT agreement in its current form. Therefore, in an effort to commit to the obligations in said PMAT agreement, ODOT wishes to enter into this Agreement with Agencies.

No Party shall be indebted or liable for any obligation created by this Agreement in excess of the debt limitation as stated in Article XI, Section 7, of the Oregon Constitution. No Party shall assume any debts of the other Parties in violation of Article XI, Section 8, of the Oregon Constitution.

2. No Party shall be liable for any expenditure under this Agreement without proper appropriation pursuant to ORS Chapter 291 and ORS Chapter 294 respectively.

EQUIPMENT AND SERVICES

1. Each Party shall make available to the other Party vehicles, equipment, machinery, employees, related items and services in the manner and on the terms and conditions provided herein.
2. Services and equipment shall be provided upon reasonable request at mutually convenient times and locations. Each Party retains the right to refuse to honor a request if the services or equipment are needed for other purposes, if providing the equipment would be unduly inconvenient or if for any other reason the Party determines in good faith that it is not in its best interest to provide a particular item or service at the requested time. It is up to the discretion of the Provider as to whether an operator shall be provided with the equipment.
3. The User shall take proper precaution in its operation, storage, and maintenance of the Provider's equipment. Equipment shall be used only for its intended purpose. User shall permit the equipment to be used only by properly trained and supervised operators and shall be responsible for equipment repairs necessitated by misuse or negligent operation. User shall perform and document required written maintenance checks prior to and after use and shall provide routine daily maintenance of equipment during the period in which the equipment is in User's possession. User shall not, however, be responsible for scheduled maintenance or repairs other than repairs necessitated by misuse or negligent operation. User shall be responsible for damage to rented equipment considered beyond normal wear and tear, including repairs necessitated by misuse or negligent operation; however, shall not be responsible for scheduled maintenance and related normal repairs
4. If a piece of equipment requires repair while in use, a Provider mechanic and a User mechanic shall assess the problem and, in consultation with each other, determine which party is responsible for repair. In the event an agreement cannot be reached, ODOT's appropriate District Manager, or designee, and the other Party's authorized representative shall determine the responsible party.
5. The Provider shall endeavor to provide equipment in good working order and to inform User of any information necessary for the proper operation of the equipment. The equipment, however, is provided "as is", with no representations or warranties as to its fitness for a particular purpose. User shall be solely responsible for selecting the proper equipment for its needs and inspecting equipment prior to use. It is acknowledged by the Parties that the Provider is not in the business of selling, leasing, renting, or otherwise providing equipment to others and that the parties are acting only for their mutual convenience and efficiency.

6. The Parties shall provide equipment storage space to each other, at no charge, upon rental request when mutually convenient. It is recognized that such storage is for the benefit of the party requesting it. The Party storing the equipment shall be responsible only for providing a reasonably safe and secure area.
7. Service and usage times, established for the purpose of record keeping and rental charges, shall be defined as "hours used on the job". In the event the equipment being used does not have an hour meter, the User shall document the number of hours used performing an activity.
8. The Parties shall use their individual internal rental rates for labor and equipment. These rates may be adjusted only once per State fiscal year.
9. The Parties shall maintain accurate and up-to-date records of all rentals of equipment and operators. Said records will be kept available for inspection by representatives of each Party for a period of three years following termination of this Agreement.
10. The Parties shall furnish fuel, maintenance, and insurance for their equipment; however, fuel for vehicles and equipment shall be provided by the User during the period in which the equipment or vehicle is in the User's possession. Equipment shall be returned to the Provider with a like amount of fuel as when it was furnished to the User.

GENERAL PROVISIONS

1. The Parties hereby grant the other Parties authority to enter onto their right-of-way for the purpose of performing the maintenance services as stated on the Work Order.
2. The Parties shall only assign personnel to work on the other's right-of-way that have similar job experience on public right-of-way.
3. The Parties acknowledge and agree that each of the other Parties, the Oregon Secretary of State's office, and the federal government and their duly authorized representatives shall have access to such fiscal records and other books, documents, papers, plans and writings of each Party that are pertinent to this Agreement to perform examinations and audits and make excerpts and transcripts. 5. Each Party represents that this Agreement is signed by personnel who have been authorized to do so by that Party.
6. Provider personnel assigned to assist User shall not be considered employees of User. Each Party shall be responsible for the following items in regard to their own employees:

9. Notwithstanding the foregoing defense obligations under paragraph 8 above, no Party nor any attorney engaged by any Party(s) shall defend any claim in the name of the any Party(s) or any agency/department/division of such other Party(s), nor purport to act as legal representative of the any Party(s) or any of its agencies/departments/divisions, without the prior written consent of the legal counsel of any such other Party(s).
