I received your Public Hearing Notice with no information about the subject of the Public Hearing. I believe we are to get a 14-day period for submission of testimony as per land use law.

Since we do not know the specific information about the proposed ordinance, it is ludicrous to expect that we can submit testimony. We need the 14-day notice WITH the specific information about the proposed ordinance in order to exercise our RIGHT to submit relevant testimony.

After 4-28-17 I tried to access your proposed ordinance at the web address you specified (http://multnomah.granicus.com/viewpublisher.php?view_id=3.) and I cannot locate it anywhere on the page that comes up at that address. Your notice indicated it would be available at that address after 4-28-17.

I and some of my neighbors will be attending your hearing on 5-4-17 with NO idea what you are proposing and NO opportunity to submit testimony because we don't even know what the hearing is considering.

I would like to go on record as opposed to this hearing until we can have our 14 day notice of the ordinance you are proposing. Thank you for your attention to this matter.

I believe you are looking at the public hearing notice which was posted a couple of weeks ago. I don't think you are looking at the board packet, that includes all the appropriate documentation. Here is the ordinance:

here is the packet:
