**General Information**

**1. What action are you requesting from the Board?**

This budget modification seeks \$78,000 in General Fund contingency to fund the Multnomah County District Attorney's Office Untested Sexual Assault Kit Deputy District Attorney (USAK DDA) position through the end of FY 2018 (January 2018 through July 2018).

**2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.**

In 2015, the Multnomah County District Attorney's Office successfully sought funding from the District Attorney of New York (DANY) Grant to test over 2,500 untested Sexual Assault Forensic Examination (SAFE) kits from Multnomah, Lane, and Marion Counties. With additional funding from the Bureau of Justice Assistance's the Sexual Assault Kit Initiative program (BJA-SAKI), the Multnomah County District Attorney's Office created a specialized position to manage this project: the Untested Sexual Assault Kit Deputy District Attorney (USAK DDA).

**Successes**

- Creation of a multi-disciplinary SAKI team that meets weekly to staff cases, regardless of the results of the DNA testing
- A significant number of victims have been notified of the results of their tested SAFE kit
- The collaboration of MCDA and Multnomah County Law Enforcement Agencies has resulted in the reinvestigation of cases resulting in multiple grand jury indictments on rape and other other

sexual assault charges

The Work that Remains

- As of September 2017, only 27% of PPB's 1,797 untested SAFE kit cases have been reviewed by the SAKI team with 1,312 cases remaining
- Testing by the private lab to be completed in January 2018
- Oregon State Police Crime Lab will continue to review the results of the tests from the private lab and enter DNA profiles into CODIS
- Prosecution of resulting cases will continue to be staffed into 2018 and beyond, requiring the attention and time of a dedicated prosecutor

Having funded the USAK DDA since February 2016, BJA-SAKI project funds are projected to be exhausted in January 2018. This request would fund the position from January through the end of the fiscal year in July 2018.

**3. Explain the fiscal impact (current year and ongoing).**

Adds \$78,000 to the MCDA General Fund budget.

**4. Explain any legal and/or policy issues involved.**

**5. Explain any citizen or other government participation.**

The Multnomah County Sexual Assault Kit Elimination Program is a collaboration of 16 law enforcement agencies in Multnomah, Lane, and Marion Counties.
