John,

The attached Resolution and APR are approved with my enclosed revisions in the APR. Ona, can you please review for formatting? John, once Ona has returned the documents to you, you are ready to proceed with getting this on an upcoming Board agenda.

Thanks,

I believe this is what you were seeking in regards to track changes.

Thanks for your assistance.

John, would you mind sending me the final IGA from last year?

If I understand you correctly, with the exception of "Section V: Term", all other terms were added in previous years? If this is correct, please remove all track changes that do not refer to the amendments being proposed in Amendment 18 and resubmit.

Yes, changes were tracked for record keeping and added to previous years Contract Amendments per Matt Ryan as the changes occurred in that years Amendment. FY 16-17 there are no changes except for the term (FY16-17) of the IGA.

I can send you previous years Amendments if needed.

Thanks

John,

Can you clarify something for me? The APR and The Contract Amendment state that the only thing changing is the term, but the IGA has track changes in it that I assume are additions. Is this correct? If so, the APR and the Contract Amendment need to address the additional changes.

Thanks,

Multnomah County has an on-going IGA with City of Portland to provide services to our West Side Pocke Roads. Amendment 17 was signed and sent to Multnomah County mid June 2016.

As we start FY 16-17 I have produced the following for approval: Amendment 18 Consent Item, Amendment 18 (FY16-17), and a copy of the Current IGA.

Once approved, I will work with Barbara Black for Board Consent Item.

Thank you
