

BEFORE THE BOARD OF COUNTY COMMISSIONERS
OF MULTNOMAH COUNTY, OREGON

Ordinance No. 469

An ordinance amending MCC Chapter 8.70.050 to add new definition provisions.

Sec. 1) MC Code Sec. 8.70.050 is amended by addition of the following definitions:

(V) "Operation and Maintenance means activities of the District required to be carried out for the operation and upkeep of the sewage system including collection, trunk, and interceptor sewer lines, pump stations, and the sewage treatment facility. This term includes District expenses related to administration, financial and audit activities, insurance premiums, claims, legal and engineering services relating to operation and maintenance, staff training and education, utilities, operating supplies, office and equipment leasing, minor equipment and tool purchases, and payments and reserves for salaries, pensions and retirements, health, hospitalization and sick leave benefits, and vacation.

(W) "Renewal and Replacement means ongoing upkeep and repair of District sewer facilities and scheduled replacement of equipment, sewer facilities and sewer lines, as required to preserve the integrity of the existing capacity of the facility for the continued delivery of sewage services. Renewal and replacement includes emergency repairs and emergency facility replacement.

(X) "User charge means a monthly fee that is collected annually from properties connected to the District sewer system for the use of the sewer and sewage purification facilities. As such, user charges are established to cover expenses related to operations and maintenance, renewal and replacement, and may also include debt service payments on obligations of the District for the financing of capital improvements."

ADOPTED this 26th day of June, 1985, being the date of its second reading before the Board of County Commissioners of Multnomah County.
