General Information

1. What action are you requesting from the Board?

We are requesting Board approval of Project Budget Reallocation #FPM-18-01. This is a budget neutral reallocation of \$1,400,000 within the Capital Improvement Program (PO 78205) from the Justice Center Clean & Seal Exterior project (CP08.14.16) to a new project to upgrade the four Justice Center Detention Elevators (CP08.18.38).

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Justice Center Detention Elevators have recently experienced multiple breakdowns that have severely impacted the Sheriff's operations of the jail and the Courts access to the jail, including multiple staff and inmate entrapments. Because of these recent issues we are asking to reallocate funds from the FY18 Justice Center Exterior Clean & Seal Project (CP08.14.16) in order to start the elevator upgrades as soon as possible.

While the Exterior Clean & Seal project is a needed project based on the age of the building and future risks, it is not currently causing issues and can be rescheduled and put into the FY19 Capital budget. The Exterior Clean & Seal project's construction schedule is weather dependent and can be implemented next summer (FY19) given that design documents are complete and ready for bidding.

The source of funds for the Justice Center Elevator Upgrades project will be the Facilities Capital Improvement Fund (PO 78205) (Fund 2507) Project CP08.14.16 B119 Clean & Seal Exterior.

Approval of this Capital budget reallocation will create a total project budget for the Elevator Upgrade of \$1,400,000, as outlined below:

1. Electronic Systems Replacement
2. Scope
3. Soft Costs, including project management time and A/E consulting firm to complete full analysis of Justice Center elevators
4. Project Contingency

3. Explain the fiscal impact (current year and ongoing).

The current and ongoing fiscal impact of this request is budget neutral.

This is a Capital reallocation of \$1,400,000 within the FY18 Facilities Capital Improvement (PO 78205) (Fund 2507) Project CP08.14.16 B119 Clean & Seal Exterior to a new FY18 project # CP08.18.38 B119 Justice Center Upgrade 4 Detention Elevators.

The 5-year Capital Plan currently shows a detention elevator upgrade in FY19. The funds originally anticipated to be allocated to this project, along with additional reprioritization of other projects, will allow for the funding of the FY18 Justice Center Clean & Seal Exterior project in FY19.

4. Explain any legal and/or policy issues involved.

FIN-15 requires Board of County Commissioner approval for reallocation of Facilities Capital project funds over \$100,000.

5. Explain any citizen or other government participation.

8. What do the changes accomplish?

This Capital project reallocation will allow for the critical upgrade of the Justice Center Detention Elevators this fiscal year, as these elevators have had several failures recently interrupting critical detention and Court operations.

NA
