Lindsay,

Towards the end of November I thought we were done with tweaking the Gresham and Troutdale IGA drafts and I forwarded the final documents to both offices as I prepared the Board packets. I soon learned that Troutdale had additional edits which I have reviewed and support.

Would you mind quickly reviewing the attached document before I accept all the track changes just to make sure you don't have any concerns? Rich Faith at Troutdale asked a few questions within comments and I have responded with my own comments labeled "Adam's Comment" so you know who is talking.

I don't expect this review to take you more than 10 minutes and I can finalize the draft if all looks good and then forward to Troutdale for one last review before routing the Troutdale and Gresham packets to the Board.

Sorry about this last minute delay.
