General Information

1. What action are you requesting from the Board?

The Department of County Human Services (DCHS) is requesting approval of Budget Modification DCHS-18-07; which appropriates an additional \$39,952 of Community Development Block Grant (CDBG) funding.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The County is entitled to receive CDBG funds from the US Department of Housing & Urban Development (HUD) annually for the geographic area that includes Maywood Park, Troutdale, Wood Village, Fairview and all unincorporated areas outside the cities of Portland and Gresham. CDBG funds are targeted to neighborhood revitalization, public services and public facilities and improvements in East County. The Department has been awarded a total of \$300,232 for fiscal year 2018 in addition to \$10,200 of FY2014-15 funding (Total \$310,432) of which \$270,480 is currently included in the FY2018 adopted budget. This budget modification appropriates the \$39,952 balance of available funding.

3. Explain the fiscal impact (current year and ongoing).

The 2018 fiscal year budget for DCHS will increase by \$39,952 in contracted services.

4. Explain any legal and/or policy issues involved.

HUD's CDBG funds provide needed funding for public services, housing and public infrastructures projects in east Multnomah County. The Multnomah County Policy Advisory Board (PAB), which is comprised of representatives from Fairview, Maywood Park, Troutdale, Wood Village and Multnomah Commission District 4, is directly involved in determining local CDBG project priorities. The PAB makes it's yearly CDBG Program funding recommendations to the Multnomah Board of County Commissioners based on their review of the community applications received, community need information, and staff analysis documents. All project funds align with the 2017-18 Annual Action Plan, HUD's National Objectives, and the priorities outlined in the 2016-2020 Portland Consortium Consolidated Plan.

5. Explain any citizen or other government participation.

A public CDBG application announcement was held in conjunction with the City of Gresham in January 2017. The Multnomah County PAB held a Public Hearing on March 23, 2017 to review applications, receive community input, and make recommendations on CDBG project funding for 2017-18. Information on the FY 2017-18 Annual Action Plan has been advertised in local newspapers and on the county's website. Mailed information on the PAB Public Hearing was sent to all CDBG Program applicant organizations. There was also follow-up communication with the PAB when the CDBG grant estimate was received on June 14, 2017 to increase funding allocations for select programs. PAB members approved the revised 2017-18 Annual Action Plan draft on June 20, 2017.
