Hi Lynda & Emerald,

Attached is an agenda placement request from DCM-Finance and from the Sheriff's Office, requesting five minutes on the Board's regular agenda for approval of a resolution for a Sheriff's Office corrective plan to address an FY 2013 budget violation. Drew Brosh has approved this item for Sheriff Staton, and Jacque Weber has reviewed the resolution for the County Attorney's Office.

This item is part of the County's Annual Financial Report presentation on the 12th, and should follow directly after that presentation.

If you have any questions, please let me know!

Thanks,
Julie
