Adam,

Sorry about the earlier email, was rushing to get to a meeting and overlooked the final details (many thanks to katherine for catching!).

If it makes it easier - here is take two with all of the correct documents in one email:

The attached are reviewed and approved.

Notes:

- As you usher this through the process, please ask the Board Clerk to schedule this as the **last regular agenda item** --- this is because it is a longer item and has the potential to run longer than the requested hour
- Kim and Christian are on board with presenting this at this time as an emergency ordinance---we may change course as we talk with board staff, and please ask the Board Clerk to prepare options in the Chair's script in the event that the Board is unable to unanimously approve the ordinance (unanimous vote required for emergency ordinance)---the script option should enable the Chair to convert the emergency ordinance to a regular ordinance with two readings
- I have discussed both of the Board Clerk items above with Lynda Grow, but won't hurt to re-confirm
